Please note that the 3pm afternoon service at Peasmarsh Church has been cancelled until further notice.

## Drive carefully !

Work has been taking place to try to re-route the water which runs across the road at the east end of the village but so far this operation has not been successfully completed and if we get icy weather it is likely to be slippery.

### Other Hall News

No definite news yet on the date for the opening of the surgery, but plans are going forward and it should be happening very soon.

It is disappointing that Tina has had to cancel her circuit training due to lack of support. On the other hand, quite a lot of over-60s have indicated an interest in a gentler kind of "Keep Fit" which the committee is trying to arrange.

There committee has also been thinking about purchasing a table tennis table. We know there are those who would like to play. Is there anyone who would be prepared to organise such a group ?

Similarly, we are still looking for a Bingo Caller. Any volunteers ? We already have the necessary equipment.

More Burglaries in School Lane, and in Bexhill a number of elderly residents have been the object of "distraction burglaries".

**Don't open your door to anybody you don't know.** If it is somebody who has a right to be there they will soon manage to contact you some other way.

If you have any suspicious callers, keep them out and report them to the police on 101. (even if they look like policemen !)  
Never leave your key in your front door, or in your car.

Make sure your property is well secured.  
Don't believe anyone who rings you up and tells you you have a lot of money coming.  
It isn't true !

*The next meeting of the Recreation Ground Committee is at 6.pm on Thursday February 20<sup>th</sup>*

*The Committee would welcome any new volunteers (of any age) who would be interested in joining them in their efforts to get more sporting activities going in the village.*

Just a reminder for anyone interested in completing the survey about the churchyard that it is not too late to do it now. You don't have to be a church-goer. Whether you visit the churchyard to tend a grave, to walk your dog(s), to take the exercise your doctor has recommended, or simply to enjoy it because it is peaceful and beautiful, your views are important.

Online the survey is at <http://ow.ly/rOPeU> or you can get a hard copy from Jenny Als (230324).

*Next FUN QUIZ NIGHT*

*Saturday March 8<sup>th</sup>*
