Peasmarsh Matters

Litter in the village

The parish council recently received some letters from children at Peasmarsh Primary School describing how on a litter pick they collected a staggering 4kg of litter

These letters, which can be viewed online, are both heartfelt and make sober reading. Surely these are a wake-up call to all of us to care more about our environment

The children have asked the parish council to help do something about it and for its part the council is prepared to fund the purchase of litter picking equipment and protective gloves, hi-vis jackets and rubbish sacks and arrange for the correct disposal of the collected litter.

However, the council cannot do this on its own and is asking residents to come forward and volunteer to take part in a litter pick day which will be arranged later provided enough people come forward. It would also welcome any ideas or suggestions regarding litter problems.

To volunteer email peasmarshpc@outlook.com and go to peasmarshmh.co.uk or peasmarsh.org.uk to view the children's letters

Top School

Peasmarsh Primary School has come top of the reading category in the national KS2 results for 2019 and sixth place in the overall national table. This is a massive achievement and congratulations are in order to all concerned - particularly the children – well done

Wonderful Villages

Peasmarsh is a wonderful village as we all know but here is a chance to show the world it is. Allied Westminster is running a photo competition with a first prize of £500 for the photographer and up to £1000 for the village hall – so get snapping

VE Day 75th Anniversary

A reminder that funding may be available from Rother District Council towards help in organising events for this. If you have any ideas or suggestions as to how Peasmarsh might celebrate email events.peasmarshmh@gmail.com

Peasmarsh Open Gardens 2020

In July 2018 we ran an Open Gardens Day in Peasmarsh. 6 Families with widely differing gardens (all beautiful) participated and the event was an unqualified success.

Since then more residents have indicated that they would like to be involved "next time". Several people have told us they would prefer it to be earlier in the year. We can understand this, but the May/June period is such a busy one that it is not easy to find a date to fit it in.

It has been suggested that we should combine the Open Gardens with our Church Flower Festival which will run this year from May 23rd to 25th. Programme/Tickets and maps would be available at the church, and elsewhere. Participants could choose how many of the 3 days they would like to be "open" and this would be included in the publicity.

If you think you might like to be involved, please contact Jenny Als (01797 230324)

(jennifer.als35@gmail.com) and let her have your views. (This will not commit you to anything at this stage!) When we have a viable number of prospective gardeners we can get together and work out the details. May will soon be here
