Additional Bus Journey to Rye

After much negotiation with East Sussex County Council an additional journey has been introduced to the 313 bus schedule. There is now a 313 service to Rye every weekday at approx 9.15 am and in addition a new 3.18pm service from Rye will be running during the school holiday periods (Bus passes can be used on the 9.15am service)

This new service is for a trial period of 6 months and is being jointly funded by Peasmarsh, Beckley and Northiam Parish Councils and will be reviewed at the end of September. Its continuation after September will be dependent on there being sufficient demand and also on the three parish councils being prepared to continue to jointly fund it - So please use it or lose it.

It is sad to see no "Village Voice" news or notices of public interest for Peasmarsh in our weekly local paper. Surely there is somebody in the village who could spare a little time to write up our news and send it to the Observer ?

If you think this is something you could do please contact the newspaper office - 01424 854242 or rye.battle@jpress.co.uk

Advance Notice

In August Brighton & Hove Albion in the community will be running "Peasmarsh Summer Activities" at the recreation ground on Wednesdays; 5 days of courses throughout the summer holidays on a weekly basis doing a mixture of sports. Watch out for further information, and how to book your children in for these courses.

Art Exhibition.

April 8th seems a long time ago now but we would like to include Anna Crouch's article on this event:-

On 8th April local artists mounted an exhibition of their work in Peasmarsh Memorial Hall for a weekend show. Guests at the Preview filled the hall and commented on the wide variety of original works. There was a chance to meet the artists too. The weekend was very enjoyable. Most of the exhibits were for sale and some were sold.

There are plans for more art exhibitions in the summer and autumn,

Thanks are due for all the support and hard work in planning this event and to Deirdre Bull for a beautiful floral arrangement to welcome guests.

The Recreation Ground and the Playspace Project

For some considerable time now there have been articles in this publication urging residents to get involved in plans for the Recreation Ground and renovations/upgrading or modernising our playspace.

Some residents gave generously to an appeal for financial support which enabled the temporary committee to make essential repairs to the existing equipment and to put by some funds for future work.

At the recent Parish Assembly there was a display of a variety of playspace equipment in the hope that those attending might be interested in selecting what they personally felt might be the best pieces to form a new playspace for Peasmarsh. But only 6 members of the public attended this meeting.

It was the hope of the Parish Council (who have offered to help to fund this project) and the temporary RG Committee that a group of residents with children of an age to benefit

from the project might come forward to help create a new committee to manage the refurbishment, and to take the Recreation Ground forward. There has been no response at all.

Some more elderly residents have shown an interest in the "Outdoor Exercise" equipment for adults we featured in the PP last year as a possible extension to the Playspace. Perhaps, if we had enough interest in this, and some enthusiastic volunteers we could embark on this aspect of the project first ?

Any Takers ?

Contact Jenny Als on 230324 or jals@millwood324.fsnet.co.uk.

If the Playspace fails its RoSPA inspection in June it will have to be closed.
