

# Peasmarsh Periodical

March 2012

## Recreation Ground

Weather permitting, a working party will be tackling a variety of jobs at the Recreation Ground on Saturday 24<sup>th</sup> and Sunday 25<sup>th</sup> March.

We hope to clear the rubbish off the roof, fix the light, erect the new guttering, replace any damaged wood and paint the exterior walls.

We shall also erect and inspect the marquee prior to this year's lettings. We have had an offer to supply the necessary tools for the job.

Do you know anyone who might give us a good deal on the paint ?

**Most of all we need manpower (or womanpower)**

**Spare a couple of hours to help !**

It could be fun ! Contact Julie on 07838588873 **after 6.00pm only**

## Rye 10

May 27<sup>th</sup> is approaching fast !

Rother has published the request to close Tanhouse Lane (from Main Street to School Lane) from 9.45 – 10.15 am on this day.

We have support from Jempsons' Superstore and the Cock Inn.

### **Where are all those marshalls ?**

Please don't leave it until the last minute. This is a really exciting project to get involved in. We can find jobs for the old (that don't involve too much running or standing) and the young Here are the links to volunteer:

Martin or Cathy Burke on 230999 or email [info@nice-work.org.uk](mailto:info@nice-work.org.uk)

David or Hilary on 230205 or email [peasmarshmh@btinternet.com](mailto:peasmarshmh@btinternet.com)

**DO IT TODAY ! and help rebuild the Hall !**

## Peasmarsh Village Society

A reminder that all are welcome at our committee meeting on 12<sup>th</sup> March in the Horse and Cart Pub.

Our Agenda will include discussing ideas for the Queen's Jubilee; has congestion in School Lane improved since last year's efforts by the Society, the School and our PCSO and should we organise another village clean-up day in conjunction with Keep Britain Tidy.

### **Digital Switchover**

For our area this is due to happen in June. If you are not yet prepared for this, don't be afraid to ask for help. Everyone should have received a booklet with advice.

There are "ads" on the telly with contact numbers, or lots of advice on the internet ..... or better still – ask your neighbour !

### **Jubilee Celebrations:**

The next meeting is on Monday March 5<sup>th</sup> at 7.30pm at the Hall. Do come if you have ideas or want to help. We would welcome some new faces !

Things are taking shape. The most popular idea is for a communal party, linked in to all kinds of other events on the field on June 2<sup>nd</sup>. Bands ... stalls .... sideshows .... Fancy Dress ... dog show ...

One lovely new project is for a wildflower meadow on the unused part of the skatepark field. Does anyone know a good source of seeds ?

We would like to have more village groups coming forward with ideas.

If we are going to apply for funding for some of this we need to do it soon. It is March already !

It has come to the attention of the Parish Council that the approach to the dogbin at the Maltings has become very slippery. The PC is attending to it.

# Peasmarsh Revived

Peasmarsh Memorial Hall  
Refurbishment Project

## What's going on at the Memorial Hall?

Monday- Brownies (evening)

Tuesday- Over 60s singing (2-3.30pm)  
starts 6 March

Guides (evening)

Wednesday-Dog training (morning)

Thursday - Toddlers group (9-12am)

Zumba ( 7.30-8.30pm)

Friday - Pilates (9.30-10.30am)

The Steering Group has recently submitted an application to the COMMUNITY SUSTAINABLE ENERGY PROGRAMME. If successful this will bring in a grant of 50% of the cost of the installation of heat pumps and solar panels for the refurbished hall and bring Peasmarsh to the standard of energy-saving which would qualify for the list of local halls with green technologies RVA expects to promote, advertising them in its hall information pack.

Meanwhile work continues to complete the stage 3 application for BLF funding which it is hoped will be ready for submission by the end of this month.

Want to know more about the plans ?

View them and ask questions at **the Annual Parish Assembly on April 25<sup>th</sup>**.

## RUBBISH !

Most of us agree that Rother's waste collection system works quite well now, with residents using their wheelybins and putting them out for emptying on the designated days.

***Sadly, there have been complaints that just one or two residents are using the public roadside litterbins to dispose of their household waste on a regular basis. This applies particularly to the bins at the Recreation Ground and at the Bus Stop closest to The Maltings.***

If your wheelybin is not big enough for your waste, you can apply to Rother for a larger one.

Please do not use the roadside bins which are not intended for that purpose.

## COMING EVENTS

### March

Mon 5<sup>th</sup>. Jubilee Planning Meeting 7.30

Tues 6<sup>th</sup>. Parish Council Meeting 7.30
