**Fly-tipping and Fly-posting**

We all know fly-tipping is illegal. Why should anyone think they have the right to dump their rubbish on land that belongs to somebody else? That somebody else then has to make themselves responsible for disposing of the rubbish properly.

After months of hard work clearing the churchyard it has started again – the remains of someone's old plumbing – I wonder if they thought they had paid to have it properly disposed of. Make sure the guy who offers to dispose of your junk cheaply is not dumping it in the next lane.

Then there was the badger! A man and two women were seen driving a white Citroen into the churchyard and dumping a dead badger under the trees! We hardly think they were looking for a religious burial ground. The registration number of the car was K93 EUU. Do you know who they were?

Fly posting is also illegal. We have one public notice board in the village. The bus shelters are also recognised as acceptable places for local notices. We shall shortly have two more boards, one on the Recreation Ground and one at the hall both of which will be available to the public. It is not legal to stick posters on telegraph poles, so don't be surprised if they are removed.

And feel free to take down (and take away) any posters which are out of date.

**Note for your diary:**

Rye10 Road Race. Sunday, 25th May – this is the 3rd year that this race, in aid of hall funds, is taking place and we will again be seeking volunteers to help with the event. More details in the April and May PP.

**Jumble Sale:**

Thank you to all of you who supported the jumble sale last Saturday, either by bringing us goods for sale, or attending and buying. We raised £227 for Hall funds.

Before long we hope to be arranging regular Table Sales – so watch this space!

**Lunch Club**

Don't forget Lunch Club at 1.00pm on Mondays. A two course meal is only £5.50 for Peasmarsh residents, with an additional 50p for a cup of tea or coffee afterwards. There is no age limit – upwards or down – and there is an appreciative bunch of "regulars", but it would be good for the students, and good for the hall if we had a few more.

And please, if possible, make your booking by Friday (230324). It is always possible to squeeze in a couple of extras at the last minute, but easier for everyone if we know a little earlier.

**Quiz Night**

Another Fun Quiz coming up! If you are looking for a relaxed, enjoyable evening, you don't take your quizzes too seriously, and you enjoy a good ploughman, bring your own booze and £5.50 and come along to the hall for 7.30pm on Saturday March 8<sup>th</sup>.

If you can make up a table (6 – 8) so much the better, but there will always be a friendly place for you, even if you come on your own.

**Peasmarsh History**

Have you seen the amazing list of Priests of Peasmarsh in the church, going back to 1100 AD? The PCC is hoping to engrave this list on a board worthy of its historical value for the benefit of future generations. More about this in April.
