

Peasmarsh Periodical

May 2013

The 2nd Rye10 race will be taking place on Sunday 26th May at 10:00 am. Runners will be registering at the Cock Inn and the race will start at the entrance to Jempson's car park.

The 10 mile route is via Tanhouse Lane turning into Starvecrow Lane, into Moore's Lane, along Furnace Lane, turning right at Calveslodge Wood into Horseshoe Lane, then back to Starvecrow Lane and the finish at Jempson's .

Tanhouse Lane from Jempson's car park to the junction of School Lane will be closed to traffic from approximately 30 minutes between 9:45 and 10:15.

We will shortly be contacting those people who volunteered last year to act as marshalls and man water stations but we still need more volunteers.

Thanks again to Jempson's Superstore and the Cock Inn for their on-going support and special thanks to Martin and Cathy Burke of Nicework for staging and organising this event again in aid of the Memorial Hall refurbishment.

The inaugural race last year was a great success and raised over £500 towards the hall refurbishment and the hope is that even more runners will be taking part this year - So please turn out to cheer the runners on, volunteer to help and ensure that this year's event is an even bigger success.

It's not too late to volunteer. This is a really exciting project to get involved in and we can always find jobs for the old and the young - So please don't leave it until the last minute. Here are the links to volunteer:

The Memorial Hall website is now up and running and has up-to-date information about coming events in Peasmarsh together with other activities in the village and a booking calendar for the refurbished hall.

★ **Peasmarsh Annual Parish Assembly will be held on Wednesday, May 29th at 7.30pm at the Pavilion at the Maltings. The Parish Council would have liked to hold this meeting in the newly refurbished hall, but it will not be quite ready in time.**

This is your opportunity to come and ask questions and find out what your Parish Council has been doing over the past year. It is also hoped that there will be a showing of the video about life in Peasmarsh created by the young people who have been meeting since October with Leaders from Youth in Motion ★

1st Peasmarsh Brownies have spaces available from June 2013.

If you are aged between 7-11 and would like to find out more, please contact Diane Nunn on 01797 280257. Brownies meet on Mondays 6.30-8.00pm during term time at Peasmarsh Memorial Hall.

Recreation Ground

With the prospect of lighter evenings and warmer days we look forward to seeing the young people of the village enjoying the facilities of the recreation grounds more fully. The Recreation Ground Sub-committee is hoping to reform into a fully fledged independent committee again shortly. If you would be interested in getting involved, please speak to Jenny Als or Julie Masters.

It is important that those who use the grounds recognise and respect the rights of other users, and of those who live close to the grounds.

One of the next projects for the village to undertake should be the renewal and updating of the playspace for the younger children. The Committee, together with the Parish Council is seeking volunteers to help with this project.

Peasmarsh Revived

**Peasmarsh Memorial Hall
Refurbishment Project**

Many residents are beginning to ask about the Memorial Hall and how soon it will be re-opening.

Considering the sort of winter we have had it is hardly surprising that completion has now been put back a week and that it is now expected that work will finish at the end of June.

The builders have done a splendid job, working in all kinds of bitter temperatures.

The project manager reports that the weatherboarding is nearing completion and the guttering shortly to be fitted; also the internal doors. Decoration is progressing, ceilings and external joinery to be completed and walls to have a penultimate coat.

Floor battens are to be fitted in a fortnight, then under floor heating, then wooden flooring.

As soon as possible you will all be invited to a grand opening ceremony.

Before this happens, the Hall Management Committee will invite current and potential hirers to come and have a look at the new layout.

A second DOGBIN is soon to be installed on the other side of Main Street, close to the path which runs past Farleys Way to School Lane. It is hoped that this will reduce dog fouling along the path itself, and encourage others to put their dog-poo bags into the bin instead of decorating the hedgerows.
