LITTER

Now we no longer have the Village Society to clear up our litter for us our verges and pavements often look very unsightly with empty food containers flung from car windows, drinks cans, newspapers, chocolate wrappers and other nasty rubbish, even if the number of plastic bags has been considerably reduced.

It's not a very pleasant job, but if we could all make an effort to clear up our own patches (outside the gate as well as inside)

Peasmarsh would look a much prettier place.
