November 2019

News about PCSOs

From 4 November there will be named PCSOs for each area in East Sussex and our understanding is that Peasmarsh will be linked with Rye and surrounding villages. This will mean that we should have a more significant police presence in the Village and PCSOs who we can get to know and who will be part of the community.

As soon as we have more details we will let you know. In addition there are also going to be dedicated Rural PCSO's who will have specialist training to enable them to focus on agricultural, wildlife, environmental and heritage crime – and our point of contact is Rural PCSO Julie Pearce-Martin (email: julie.pearcemartin@sussex.pnn.police.uk) and Rural Sergeant Tom Carter

Peasmarsh Flower Arrangers

October's meeting was all about Leaf Manipulation and a very interesting and instructive meeting it proved to be. It helped us to develop a new skill and although trickier than it looked with a supportive demonstrator we all managed to go home with two examples of what can be done with Leaves.

Next time a "Book Title" so thinking caps on now and please do come and join us it's great fun and you would be amazed what you can achieve.

Further details from Deirdre Bull 07826 723409 or just drop into the Memorial Hall 2nd Wednesday of the month and we always have Rhiannon and Sue to help us

Parking in School Lane

Concerns have been raised about the large number of cars parked half on the road and half on the footpath at the Horse and Cart end of School Lane. The footpath is quite narrow and at this end is only on the Horse and Cart side of the road leaving pedestrians no other choice, if the footpath is blocked, but to walk in the road.

Clearly this is very dangerous for everyone particularly for the children who are going to and from the primary school but also for wheelchair and mobility scooter users and adults walking with prams and pushchairs. When parking in School Lane could drivers please give consideration to the needs of pedestrians and avoid parking on the footpath if at all possible or leaving sufficient room for pedestrians.

It is worth noting that although it is not illegal (outside of London) to park cars on the footpath if your car is reported or seen by a police officer and judged to be either in a dangerous position or causing an unnecessary obstruction you could receive a Fixed Penalty Notice

On behalf of the Charity Link to Hope I would like to say a really grateful thank you to all those people in Peasmarsh and Beckley who made up a shoebox for a family or elderly person living in Romania, Moldova, The Ukraine and Bulgaria.

Your Christmas present will probably be the only one they receive and I know they will be so thrilled that people living far away are thinking of them.

Thank you so much. Sue Cavilla.

The Recreation Ground Committee would like to express their thanks to the Beckley Rangers who cleared up the mess after another break-in earlier in the month and provided a new hasp and staple at their own expense. Also thanks to Martin Channon for a new padlock.

Drainage works. Work on the A268 Main Street Peasmarsh will commence on 11th November and continue until 22nd November. Main Street will remain open with temporary traffic lights in place. The lights will be manually controlled during peak hours.

In The Hall in November

Peasmarsh Lunch Club

Monday 4th from 10am to 2pm. "Hands of Hope" invite you to join them for a 2 course lunch - To book and/or request transport contact Sosi on 07798 556999 - cost £6.50
