Trouble on the Line

Over the past few months many residents of Peasmarsh and neighbouring villages have been suffering from intermittent crackling on their telephone lines which has made incoming or outgoing calls impossible.

Several public-spirited people have made it their business to try to persuade BT that this is an area problem and not an individual one, and we now have a quite extensive list of affected numbers. Our MP has also been involved in trying to get it put right.

There does appear to have been an improvement recently, but if you are one of those affected and you are still experiencing problems and you don't think you are on the list you can call David Pankhurst (Parish Council Chairman) on 230205 and he will add your number.

The De-fibrillator Demo at the Hall on September 16th was well-attended. Two visitors even came all the way from Bexhill !

**Thank you, Rother Responders !
And all who attended !**

There are now life-saving defibrillators installed in places where they are available to the public in Rye, Peasmarsch, Beckley and Iden.

If you missed this training session watch out for the date of the next one in our area on the Rother Responders' website.

THE MALTINGS

ON WEDNESDAY, OCTOBER 21st AT 3.30pm AMICUS HORIZON WILL BE PRESENTING THEIR PLANS FOR RE-DEVELOPMENT OF THE SITE AT THE MALTINGS. THIS IS YOUR CHANCE TO COME TO THE MEMORIAL HALL AND HEAR WHAT IS PLANNED FOR OUR VILLAGE.

OPEN TO ALL.

Parish of Beckley & Peasmarsch

Last year the 100-year-old Bevington organ in All Saints' Church, Beckley was renovated.

To celebrate this event the PCC invites you to a concert of sacred and secular music performed by the Wealden Consort and their conductor and organist, Cornelis Taekema to be held at 7.30pm on **Saturday, October 24th.**

In 2014 The Consort was judged to be one of the best six choirs in Kent and Cornelis Taekema has performed on the celebrated organs at Canterbury Cathedral and the Royal Albert Hall.

Tickets on the door will be £8 to include a glass of wine/soft drink.

Thomas and Harry Farley would like to thank the local sponsors who made their trip to the Special Olympic World Games in Los Angeles possible. They were both successful in their respective Judo classes, each returning with a silver medal !
