Peasmarsh Matters

Children's Sports Sessions

Bourne's Sports Association will be running sports training sessions for 5-13 year old boys and girls on Thursday 26th and Friday 27th October. The cost is £30 per child and Peasmarsh Parish Council has again negotiated a 50% reduction on this price for children from Peasmarsh. Please note this reduced rate is only available to parents living in Peasmarsh. For more details email bournessportsassociation@gmail.com or visit peasmarshmh.btck.co.uk to download an application form

We should also like to thank Bourne Sports Association for their generous donation of £100 from the July and August training sessions and the £50 donation from their May Half term sessions. All of these donations are going towards the fundraising activities for the new play space

Last year there was a splendid response to Fay Curd's appeal for volunteers to help with the Royal British Legion sale of poppies for Remembrance Day. Please help again this year if you can ! Volunteers are needed from October 28th to November 11th. Contact Fay on 230427, and let's see if we can beat last year's magnificent total !

We're nearly there !

For years now the Recreation Ground Committee has been struggling to raise funds to provide a new Playspace for the younger children in Peasmars. At last the target seems to be almost within reach! The Parish Council has just heard that their bid for a £15,000 grant from Rother has been approved. Two other grant applications are still awaiting a response. The Parish Council has promised to match the money raised locally at various fundraising events over the past 2 years. Perhaps by next summer we shall have a new Playspace !

Meanwhile, please support the Travelling Trends evening at the hall on Sept 30th. (Tickets from 230045) and Bingo at the Cock on October 6th.

Libraries

East Sussex County Council will be carrying out a consultation between 21st September and 14th December on the future of the library service. They are considering the closure of a number of libraries and to do away with the mobile library service altogether. If you wish to know more about their draft strategy then visit www.eastsussex.gov.uk/librarystrategy

Peasmarsch Village Society (P.V.S)

In November 2012 the majority of the committee members felt that the PVS had ceased to serve a useful function for the village and that the time had come to wind it up. A minority of the committee members including the then chairperson, Mrs Sandra Farley felt that it could and should continue to function.

All of the major officers resigned following the November meeting including the treasurer, Robin Dent. The new committee has never deleted Robin Dent's authority as a signatory of the PVS accounts in which there was a balance of just under £400, nor has the new committee appointed a new signatory. In the light of this apparent inactivity it is suggested the PVS be formally wound up and the remaining credit balance transferred to Peasmarsch Recreation Ground Committee for the Playspace project

If any persons disagree with this proposal please notify Robin Dent by email at robindent@btinternet.com or by telephone 01797 230050 at the latest by 31st October 2017.
