

Peasmarsh Periodical

September 2011

There was a disappointing response to the invitation to register on the parish website last month – www.peasmarsh.org.uk. We hope more Peasmarsh residents will do so now Autumn is here and indoor activities are more popular.

Peasmarsh Memorial Hall Refurbishment Project

The Working Party submitted the second stage application to the Lottery Fund at the end of August. Now all we can do is wait – probably until some time in December – to see whether we move on to the third and final stage.

If we are successful work should start next summer !
Meanwhile it is good to see the hall being well used.

Recreation Ground

Young people in the village have been putting forward their views as to how they would like the Recreation Ground and the activities that take place there to develop. During the summer the skate park was well used and over the past month there has been less vandalism and litter. Let's try to keep it that way. We should be proud of our skate park which is getting recognised and attracting enthusiasts from beyond the village.

Proposals being discussed include the completion of the multi-ball park, some extension to the skate park and the erection of permanent goalposts for practice.

There have been a number of requests for junior football training.

Meanwhile the pavilion urgently needs a large dose of TLC . We need YOUR help.

***DO YOU RUN ?
OR STAND STILL ?***

It is just possible that some time in the future there might be a sponsored run in this area.

If this is to happen and the Hall Fund is to benefit we should have to produce a number of marshals so that race organisers could guarantee that the route would be properly managed. Let us know if this is something that interests you.
