Rock 'N' Roll Sixties Night Success

message from Jan Weston

The Rock'n'Roll Music Night on Saturday 16th August was a huge success with 64 people buying tickets, and the "joint was really jumping" all evening. The band "Something Else" were brilliant as always and the fish and chips turned out to be very good, so no complaints from anyone. Plenty of praise from everyone and they all said they'd had a superb evening and hoped we'd do it again! Many thanks to all who helped clear up at the end of the evening, and also to Jakki Armfield who was such a great help to me with all the preparations - I couldn't have done it without her. The proceeds of £216 will be split between the Memorial Hall and St Michael's Hospice."

The Rye 10

It is now confirmed that the Rye Run in May raised £618 for the Hall Funds

Thanks again to Martin, Cathy and all at Nicework

This is now an annual event and next year's date is Sunday May 31st 2015 and we will be seeking volunteers nearer the time

New Notice Boards

There are two new notice boards, one by the bus stop at the Memorial Hall and the other by the pavilion at the Recreation Ground. Both have a section that is not locked so that Peasmarsh residents can use them to advertise events and anything that maybe of interest locally.

We would ask you not to abuse these by putting commercial advertising in them as they are not intended for this use.

Unfortunately the one by the pavilion has already been vandalised by having the door left open and the notices inside ripped off. The boards are there for the benefit of the whole community so if you see someone vandalising them please either stop them or phone the local police.

Satellite Surgery for Peasmarsh.

Over a 1000 signed the petition urging NHS England to reconsider the decision to deny Peasmarsh this much needed service .

We will let you know as soon as there is any news of the appeal.

In the Churchyard

Anyone who has visited the churchyard recently will be aware of the transformation since last year. We are grateful, not only to Richard and Sharon who now regularly keep the grounds in order, but also to those anonymous volunteers who still give their time and efforts to make sure it is looking good.

Please remember that if you are clearing foliage or dead flowers they should either be left on the bonfire, which is now at the back of the churchyard, or taken home. Please take home any plastic wrappings or flower containers. There is no waste collection from the church.

JUNIOR FOOTBALL

We are sorry that the plan to offer junior football during the holidays got off to such a poor start, due to circumstances beyond the control of the organisers.

We now have a new plan, which will carry the kids through the winter. Starting on Thursday, September 11th, there will be training sessions from 6.30 to 7.30 for the first 4 weeks. Following this, we expect to carry on at weekends, with support from Rye Bay, and there should even be a chance to play for a team !

Keep your eyes on the new notice board for further details.

ARE YOU REGISTERED ?

The way we are registered to vote has changed. Previously the "head" of each household was responsible for registering everyone who lived at their address. Now unregistered people need to fill out an individual form. You can do it online at www.gov.uk/register-to-vote .

Don't lose out on your chance to vote in General and Local Elections in May 2015.
