## **Warm Homes Fund**

East Sussex County Council has been awarded funding from National Grid's Warm Homes Fund aimed at helping people in fuel poverty. The funding is to enabling the installation of at least 100 new gas central heating systems free of charge to vulnerable residents such as older people or families on low income. People who think they might qualify should apply for a free Warm Home Check [www.warmeastsussex.org.uk](http://www.warmeastsussex.org.uk) , text WARM to 81400 or call the charity's advice line 03444 111444.

## **Recent Power Cut**

On Sunday 29th June a large number of households in Peasmarsh suffered a power cut which lasted about an hour or so. However, some households were without power for up to 24 hours and according to UK Power Network they should have received an automatic set payment if they were without power for 12 hours or longer. If yours was one of these households and you have not yet received compensation then ring their Care Team on 0800 0284 587 to see if you are entitled to compensation.

## **MESSY CHURCH & FAMILY SERVICES.**

The Messy Church Team will be back in business in September and hope to welcome lots of young children and their parents or guardians to these fun sessions with crafts and activities and music and food. To simplify the programme this term there will be just **one session a month** held at Beckley Village Hall from 3.45 to 5.15. Families from Peasmarsh already attend the Beckley sessions and we hope more will do so in the future.

The first session will be on Thursday September 26<sup>th</sup>. Come and see what it's all about !  
No age limit.

On the following Sunday, (29<sup>th</sup>) there will be a special Family Service at Peasmarsh at 10am. This will be a shorter simpler service with activities for the children and we hope many families will want to attend.

## **Communication**

There have been complaints from some residents that if they want to comment or get some information into the PP they don't know who to get in touch with. It is edited and drafted by Jennifer Als who can be reached on 01797 230324, 07789 420841 or [jennifer.als35@gmail.com](mailto:jennifer.als35@gmail.com) or on Facebook. Please bear in mind that we do not have room to carry advertisements.

## **Those Hedges**

Thank you to all those of you who took note of last month's appeal and cut back your hedges. The village looks the better for it and pedestrians don't have to step into the road to avoid brambles. There are still one or two places where uncut hedges are creating a problem. Please attend to these if you can.

## **FOCUS !**

Do you run an activity at the village hall, or elsewhere in the village and are you looking for more interest ?

From next month we are offering a Focus Spot where one of you can explain in more detail than we can carry in our front page diary, the activities and benefits that you are offering and any further details you would like to publicise.

Preferably not more than 150 words please, and we would like to receive any copy (see "communication" above) by the 22<sup>nd</sup> of the month.
