

Guided Community Walks in the Astley Ainslie Hospital grounds

See map on reverse for meeting points

Saturday September 30th 10am – 4pm *every half hour*

Sunday October 8th 10am – 4pm *every half hour*

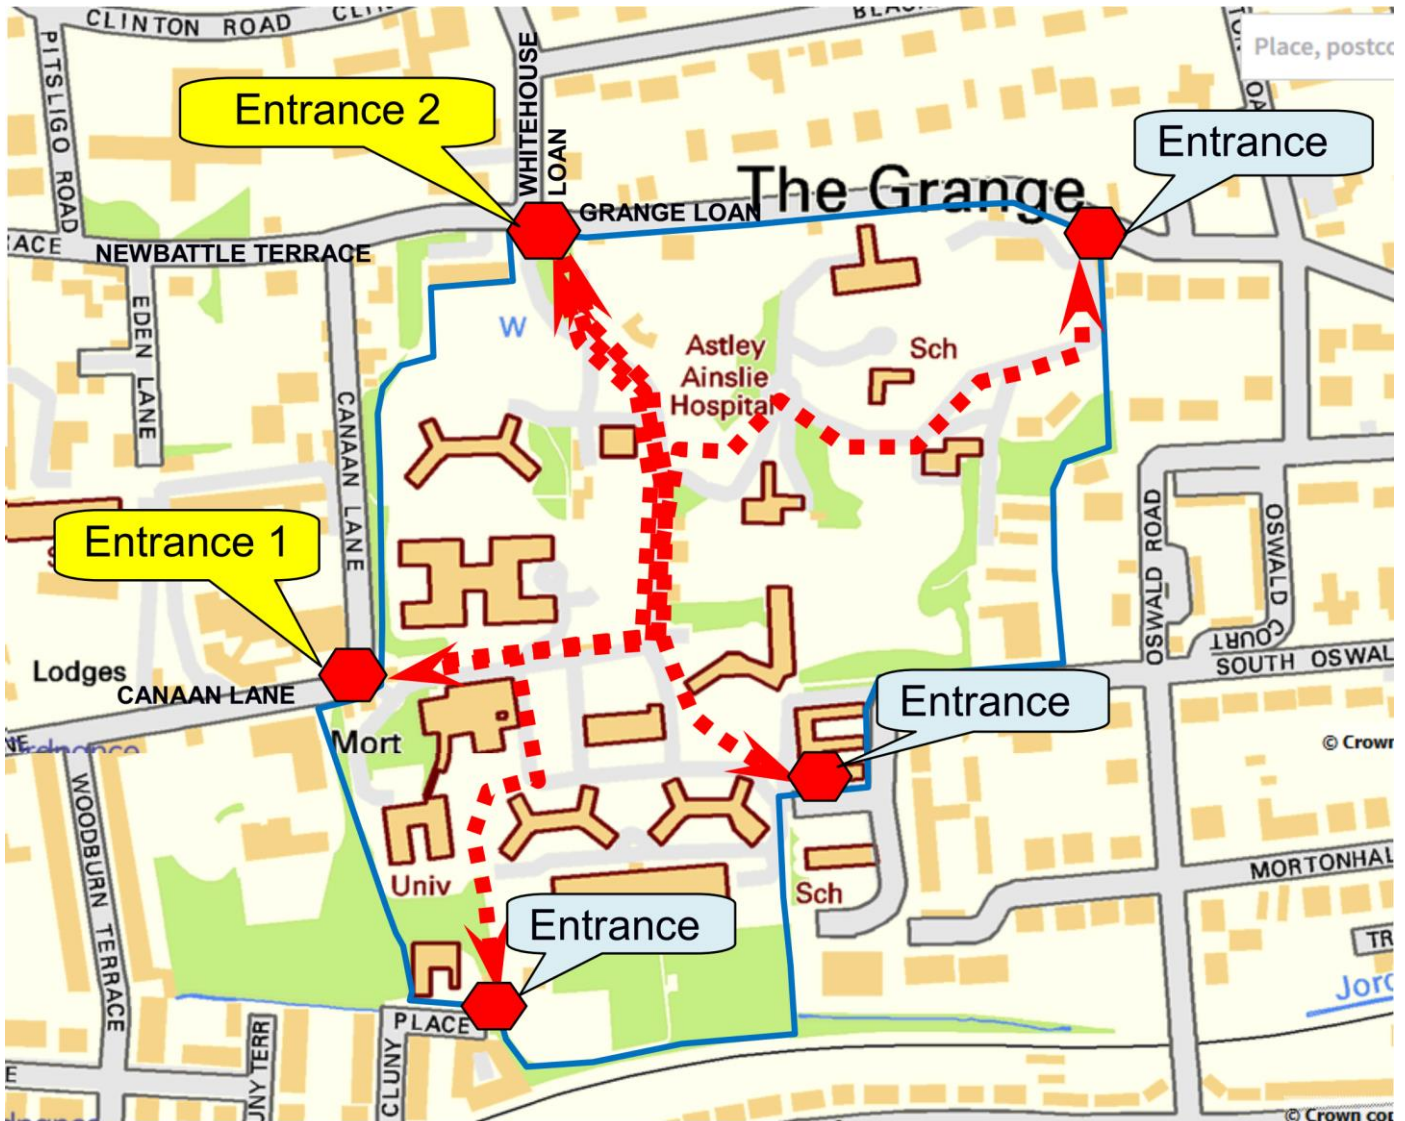

Why now? The health services now supported on the Astley Ainsley Hospital site, will transfer to new buildings at the Royal Edinburgh Hospital in 2019. The owners (NHS Lothian) will create a master plan for the present site and then sell it to developers. The NHS has committed to consulting with the community over the next few months, as to how the buildings and grounds should be developed.

The Astley Ainsley's grounds are beautiful, with many open spaces and mature trees. To give everyone an opportunity to understand this site, local community groups are organising guided walks in small groups round the hospital grounds. Walks will start on the half hour, and last about an hour. You can just turn up but it would be helpful to have an idea of numbers.
