ANY OTHER COMMUNITY ISSUES

Facebook and Twitter – Community Messages can be placed on local Police sites via Community Sergeant.

Issues in Alloa town Centre re youths causing nuisance value and anti-social behavior, youths have been identified and spoken to on several occasions by Neale and Iain, leading to several charges being preferred and two of the youths being placed into temporary care through liaising with Clacks Social Work. Volume of calls to town Centre have dropped considerably and work will continue to engage with and disrupt youths whilst in town centre.

Parking Alloa Town Centre. Due to Traffic Wardens no longer being employed locally there has been a significant increase in the number of drivers parking (abandoning) their vehicles on double yellow lines, disabled parking bays and taxi ranks around town center. Iain and Neale are more than aware of the issues and when available will conduct enforcement by issuing parking tickets. Consideration for Community Council to maybe raise issue with Council to employ a Traffic Warden.

NB please ensure property is secure and report anything suspicious. Record make, model, serial numbers of property, security mark, register property, and take photographs.
