

Congratulations! We're glad to let you know that your Fairtrade Town renewal for Garstang has been successful. It's been fantastic to hear about everything that you have achieved in the past few years. Thank you very much for sharing with us the progress you have made on your various efforts, your team has no doubt been very busy and we appreciate the hard work you have put in. Your group has demonstrated dedication to take your campaign forward and ensure Fairtrade becomes part of daily life in Garstang. This is evident by the fact that different community organisations volunteered to promote Fairtrade during Fairtrade Fortnight.

Well done on the reach of your events and for managing to engage successfully with a great number of people. It is great to hear that you have collaborated with different community groups such as Garstang Cycle Club. It is also great to see that you have built such a strong relationship with the local Council. It's also very promising to see you have engaged with your local MP.

You should soon receive in the post your new Fairtrade Town renewal certificate. Your next renewal will be due on **26/07/2021**.

In the meantime, we invite you to take a moment to celebrate your success with the other members of your steering group.

Congratulations again and best wishes with your continued campaigning!
