2. How we receive applications / guidelines for processing applications:

Lucy explained to the panel how she receives applications and the process that they have to go through. Late applications are invited to reapply at the next round due to time scales.

Questions were then asked around private groups, inadequate applications etc.

The panel discussed whether in such cases she may ask for further information and offer advice to groups to help them through the process.

The panel agreed that

- Any late applications will not be considered.
- Incorrect applications may still be considered with info from Lucy.
