### Important Notes:

- To avoid disappointment please read the booking instructions carefully.
- The Dursley area is hilly and many of the walks will be strenuous - please consider any health issues you may have before deciding to join the walks and advise walk leaders of any concerns before setting off.
- For all but the shortest walks wear strong footwear and bring waterproofs and/or warmer clothing. This year there have been more ticks than usual. For this reason we suggest that you wear long-sleeved shirts and trousers rather than shorts.
- Please ensure that you take water with you on all but the shortest walks and a snack or packed lunch where necessary.
- Please do not walk ahead of the leader unless asked.
- Many walks involve stiles so we apologise that for this reason many of the walks may not be accessible for people with some mobility issues. Similarly these routes may be unsuitable for push chairs. Please check with walk leaders in advance.
- All of the walks are free – donations to the organising groups are at the walkers' discretion.
- Children under 16 must be accompanied by an adult. We have tried to indicate where walks are particularly suitable for children in the individual walk descriptions. Walk leaders will be happy to advise you further if you phone them in advance.
- Dogs are allowed on some walks (see individual walk details). The owner is responsible for their dog at all times. Dogs must be well behaved and they must be kept on a short lead and under control at all times. The owner must ensure that their dog does not trip, alarm or inconvenience other people or cause damage and they must clean up after their dog. If a walk leader thinks that your dog is not sufficiently well behaved you will not be allowed to join the walk. Walks may contain stiles which some dogs could find difficult to negotiate. When walking through a field containing livestock or horses people with dogs should walk at the back of the group. If the livestock/horses become threatening then let the dog go. The dog will be able to run away and the livestock/horses' interest will be diverted from the walkers to the dog.
- Please do not feed any animals you meet on the walks and make sure that you take all your litter home with you.
- The duration of each walk has been estimated by the walk leader. Sometimes walks take longer than estimated e.g. if there are large numbers of walkers or difficult conditions underfoot on the day or it is necessary to change the route slightly due to path closures. Please bear this in mind if you use a short stay car park.
- In the unlikely event that it becomes necessary to alter or cancel a walk or event we will post a notice on our website [www.dursleywelcomeswalkers.org.uk](http://www.dursleywelcomeswalkers.org.uk) as soon as possible. If you are travelling a long distance for a specific walk/event we advise you to check the website before travelling.
- There is a Farmers Market in Dursley Market Place in the morning on Saturday 11th with tea and cakes available in the Town Hall (small charge). Do have a look round if you have time.

## Saturday 11<sup>th</sup> October 19:30 – The History of Dursley, a talk by David Evans, local historian and president of the Dursley & Cam Society

**Brief description:** The recorded history of Dursley goes back as far as the Norman Conquest when the settlement was part of a very large estate based on Berkeley. Always small in size, the town never played a major role in national affairs. However its influence was sometimes felt nationally and internationally as individuals and products achieved more than local fame. David’s talk rambles through the 900 plus years since 1066, as Dursley evolved into the present pleasant market town, and ends with a look at the four hills that surround it, each of which has its own story. David will be bringing a few historical artefacts which will be on display in the Town Hall. There may be an opportunity to visit the Heritage Centre after the talk. No need to book – just turn up. **There is a charge of £2 per person, payable on the door. This includes tea and biscuits.**
