We have received the following

It is self explanatory

Again, I should really thank you for all that you've done in getting Scouting of the ground in Fillongley. I know that my words can't speak for the opportunities that you have managed to facilitate for the young people, but you have made, myself and the district proud to have such motivated individuals within our extended team.

The achievement of getting 50 young people into a new Scout Group within the last 9 months is exceptional. Please remember that the district, county and headquarters are here to support you. We are aware that the on-going support to create a thriving group will be needed for next few years.

Again, thanks for all you have done,

Stuart Nimmo

District Commissioner.
February 2007

I echo Stuart's congratulations, a few more success stories like this across the country would be great for the movement.....

Mick Capon

Field Development Officer - The Scout Association
February 2007

We wish to Thank

Group Scout Leader's Report 2007

Firstly let me say a huge thank you to all of the parents who support the group, let their children attend as scouts, to the leaders and to the "other halves" all without whom the scout group in Fillongley would not have been restarted and grown to the numbers that we have today. The support we have here is fantastic. Thank you.

We owe a lot to the founding leaders, Allan Taylor & Nicola Jackson. Allan unfortunately had to leave scouting early in the Autumn. Nicola has also chosen to hand over the Beaver leadership at the end of the spring term, although she will remain in an assistant role for the foreseeable future. Cub leaders Ian, and Mark and Young Leader Peter are building a very strong section. Beavers are now being led by Alison, Martyn, Sylvie, Nicola, colony assistants Paul and Cath and young leader Kirsty.

Thanks must go also to our treasurer Les Pinkham, and secretaries, initially Alison Mills and now Lisa Harris. Steven Gill has been the executive chairman for the last 12 months, but is unable to continue in this role now that the Scout Troop is formed.

I cannot believe that in little over a year we have achieved so much. From our group investiture for the Beavers and Cubs in May 2006, Bablake District camp in June, a sports evening, an events day at Kingsbury Water Park, the charity fundraiser at the end of November organised and run mostly by the cubs, raising over £200, to the Cub camp at Beaudesert in Cannock, and the list goes on....We've participated in District events such as cubs district football, bean bag hockey (a new experience this year but something we will build on for the future!) cross country (Bradley Pinkham came 2nd, and the team 4th, by just 1 point), annual quiz, a ghost hunt, swimming gala, Christmas services for both Cubs and Beavers, a Beaver outing to Twin Lakes, and for the Scouts, a Master at Arms weekend followed by the competition.

The Scout Troop started in January 2007 and quickly grew from 6 to 12 in number under the watchful eyes of Steve & Jef. The 5 cubs who initially "moved on" to start the scout troop with the support of other district troops ie the 8th, and 42nd are pleased now to have been joined by a few more of their friends.

The next 12 months sees plans to attend the centenary camp at Rough Close in June, Broadwater at the end of the summer holidays, and a group camp for the first week of next year's summer holiday.

We do however have to form a Supporters Association to organise fundraising events for the group. There is only so much that the leaders can and should be expected to do. Fundraising is necessary to replace worn out camping equipment and carry out essential maintenance on the scout hut. Grants will not

be available to us forever and certain items need to be purchased if we are to be able to continue to offer the fantastic opportunities that scouting can provide.

Scouting has so much to offer the young people of Fillongley and the surrounding area. It is hard work, but has to be fun for both the leaders and young people. Thank you again in anticipation of your continued support.

Lesley Gill

Group Scout Leader

Well, what a year we've had! 1st Fillongley Beaver Colony is a year old and going from strength to strength. However, before we look back at what we've done, we should remember that none of it would have been possible if it wasn't for the tireless dedication of our Group Scout Leader, Lesley Gill, who is the main driving force behind scouting in Fillongley. Thank you Lesley. Everyone here that

has been involved with our young Beavers should also congratulate themselves, whether they have become a warranted leader, parent helper, helped with cooking, scout hut maintenance or transport. Without you all, we would not have done all that we have. So a big thanks goes to you for all your help and hopefully continuing support.

Now it's time to look back at our first year, starting with our 1st meeting on 24th April. We began well with 18 Beavers, all eager to find out about Beavers and Scouting. As leaders, we were learning too, to be honest it was a little bit hit and miss as we learnt on the job about different ceremonies and traditions. Our investiture evening was a real hit and we met lots of different people from Scouting and even got into the

local press! Our first big event was the District camp at Rough Close and great fun was had by all. Most of the Beavers came for the day and enjoyed activities such as crate climbing, bouncy castles, pond dipping and much more. A great day ended with a camp fire song and all the Beavers went home tired and dirty but having had a thoroughly enjoyable day.

Throughout the year, our Beavers have all worked hard to obtain different badges, from making models from junk to help get their Creative Badge to attending a day at Kingsbury Water Park, which contributed towards receiving their Outdoor Challenge Badge. Well done to all our Beavers for their hard work.

Other activities that our colony has participated in, include making volcanoes and kitchen chemistry under the watchful eye of Dee Knight and a Beaver Birthday picnic at Rough Close. Again they enjoyed lots of activities and they especially seemed to enjoy the drum beating session and the archery.

Our Beavers have worked extremely hard to help raise funds for our colony and for other charities. They have taken part in an apple day afternoon and helped the cubs with the Christmas Bazaar, to help raise money for Water Aid and other charities.

Throughout the year, it has been a great pleasure to see the boys and girls within our colony grow and develop their confidence and abilities. They have been given the chance to do and try new things, pushing themselves and hopefully learning lots, but most of all having fun and making friends. We have also had several Beavers that have become old enough to become Cubs and it has been great to see them Swim up to begin the next part of their Scouting journey.

Our first year has flown by and we have done far more things than I have mentioned, so now we are looking forward to the future. As it is the 100th Birthday of Scouting this year, we are all looking forward to Bamjam in June at Rough Close. Hopefully this year at Broadwater camp more Beavers will get the chance to camp overnight with their parents, but take heed of my one piece of advice, BRING EARPLUGS!!! As a field full of excited Cubs are sure able to make a lot of noise at 2 o'clock in the morning!!!!

Thank you for your continuing support,

Nicola

Badger

cubs

Autumn term started with a Group Day out with the Beavers to Kingsbury. Quite a damp day with many, cycling the wrong way - in a great hurry. A ride on a nearly finished railway, great crashing of bodies on the rope slide, some of the

best pasta ever tasted and a camp fire sing along.

The next few sessions are a bit of a blur, at least for me, as I tried to remember some of the names that Allan (Arkala) seemed to be so familiar with, as he encouraged and enthused the Pack each Wednesday. Allan was a very popular leader with the pack and parents alike and we all wish him well.

We re-grouped over half-term and returned with renewed enthusiasm with help from some Whistle-blowing experts to see us through.

We took part with the rest of the group in the district Swimming Gala where Bagheera found out that his swimming prowess was not what it had been. We attended the District Cubs Quiz and came 8th. We had a good turn out for the Cubs Christmas service with readings given by the Cubs.

The term was topped off by the Christmas Bazaar that was organised by the Cubs with support and help from Beavers. It was a great success

and everyone had a lot of fun. This was part of the Cubs Caring Challenge Badge.

In the New Year we continued this theme with presentations given by the Cubs on a Healthy lifestyle and a visit from Rev Nick Clarke who told the story of the Good Samaritan and held a quiz on good moral behaviour. I am glad to say that the Cubs completed this test of their ethics and integrity admirably!

Special thanks should go to Dave Lees for running the Athletes badge, which involved some exciting cricket ball throwing in the dark! Dave also assisted with the Beanbag Hockey and also did a session on hockey training for us as well. Thank you Dave.

Lesley carried out Health and Safety training for us and we also did an evening on Emergency Aid with help from Becky Buckler and Liz Shankland This involved Bagheera and Balou being road traffic casualties which the Cubs seemed to enjoy rather too well!

During the term we attended Founders Day and it was noticeable what a fine, well turned out and behaved group we were.

At the beginning of the year a number of the 'usual suspects' moved on to Scouts. At the same time and during the year we have seen several Beavers swimming up to Cubs. We have enjoyed this opportunity to refresh the pack. For me it has really come home that this is a 'moving on' group and that we will all get the chance to experience the badge work, challenges and events with a new group each time we do them.

Looking forward we will have been to camp in April, have the 6 a side football, BabJam, Camp in August and other events that will all help to keep this 'fun loving pack' up with the best in the District.

This term Mark and I have been joined by Peter Bent our young Leader, who has brought expertise in scouting, to what is a relatively inexperienced but enthusiastic leadership team. Many thanks Peter.

Many thanks to all of the parent helpers not mentioned above who have given up their time and to you the parents who have encouraged your youngsters to take part in the weekly sessions, Church Parades,

outings and District events. Thank you!

Most of all I and the rest of the Pack leaders would like to say a special thanks to Lesley our GSL for keeping it all going and providing support above and beyond the call of duty. Thank you Lesley from all of us.

Jan Scott

Bagheera

The Scout Section only really formed in January this year with 5 of the cubs who had moved on and 2 new starters. The 8th and the 42nd had been

very patient putting up with us on several Fridays before Christmas, even if our scouts did win the bridge building contest (with a little help!)

The section grew strongly from 7 to 12nr during the early months of this year. Our first troop members were invested on the 1st February and the rest at the end of March.

Our highlights to date include campanology up a rickety ladder in the church bell tower. Yes, we did do a risk assessment and only a few of them were lifted off their feet!

Earlier in February a select group took part in a night hike across a very muddy Corley Moor giving great encouragement to their mates.

In March all 12 attended the Master at Arms weekend at Rough Close, under canvas, but the weather was fantastic. However those that had bought survival blankets more closely resembled "roasting turkeys" from the rustling sound at night, mind you did anyone ever expect them to sleep?

Trangia cooking has been a great success each time, although we didn't find a champion pancake tosser, even though the school pancake race champion is a scout!

Some of them have even enjoyed the trip to the Black Museum, those that were brave enough to go that is!

Above all I must thank JEF and the rota of parent helpers, without whom there wouldn't be a scout troop.

Steven Gill

Skip

This is the Scout Law, and examples of how it can be achieved has been demonstrated even in our short length of time as a scout troop:

A scout is to be trusted – ***Kyle and Jason participated in the District bag pack in December raising money for the group***

A Scout is loyal – ***During the night hike the scouts showed great support for each other.***

A Scout is friendly and considerate – ***The camping weekend taught the group how to integrate together and work as a team***

A Scout belongs to the world-wide family of Scouts – ***Attendance at the Founders Day celebration in February***

A Scout has courage in all difficulties – ***I was particularly taken with the determination of Jason, who was obviously nervous about climbing the ladder. However he 'steeled' himself and announced he was going to go up. What then cheered me was the spontaneous support and encouragement he received from 4 or 5 of his troop colleagues. It was really heartwarming***” ***John O'Brien***”

A Scout makes good use of time and is careful of possessions and property – ***well they didn't waste much time sleeping during the Master at Arms weekend, and most of the lost property belonged to the other group!***

A Scout has self-respect and respect for others – ***The journey for patrols and the troop to learn to work together as teams has begun.....***

Section B Structure, Governance and Management

Governing document

The Group's governing documents are those of The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and the Policy, Organisation and Rules of the Scout Association.

Constitution

The Group is a trust established under its rules which are common to all Scouts.

Trustee selection method

The Trustees are appointed in accordance with the Policy, Organisation and Rules of the Scout Association.

Group Executive Committee

The Group is managed by the Group Executive Committee, the members of which are the "Charity Trustees" of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leaders, individual Section Leaders and Parent representatives and meets every 2 months.

The Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

- a) The maintenance of the Group property;
- b) The raising of funds and the administration of Group finance;
- c) The insurance of persons, property and equipment;
- d) Group public occasions;
- e) Assisting in the recruitment of leaders and other adult support;
- f) Appointing any new sub-committees that may be required;
- g) Appointing Group Administrators and Advisors other than those who are elected.

Risk and Internal Control

The Group Executive has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk assessments are undertaken before all appropriate activities.

Reduced income from fund raising.

The Group is primarily reliant upon income from subscriptions and fundraising. The Group does not, at present, hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.

Reduction or loss of leaders.

The Group is totally reliant upon volunteers to run and administer the activities of the Group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

Reduction or loss of members

The Group provides activities for all young people aged 6 to 14. If there was a reduction in membership in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

Section C

Objectives and Activities

Objectives of the charity

The objectives of the Group are as a unit of the Scout Association.

The Aim of the Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local national and international communities.

The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.

Summary of activities

Refer to the Group Scout Leader and Section Leader reports.

Section D

Achievements and Performance

Main Achievements

The primary objectives for the year were to re-establish the Scout Group since it disbanded in 1998 and to commence a programme of renovation and modernisation of the facility which had fallen into disrepair during recent years.

The Scout Group commenced in April '06 with a Beaver Colony and Cub Pack; a new Scout Troop was added in January '07. At the end of its first year the Group had 57 young scouts supported by 7 leaders and 2 young leaders.

The key objectives for the facility were to make it secure, safe and to improve its general environment. The grant from Heart of England funded the installation of new gas heating and a complete re-fit of the electrical system. General works have also taken place to improve the facility e.g. painting, fire door, laying a new access path and numerous other improvements.

Reserves Policy

The Groups target for reserves is to hold sufficient resources to continue the charitable activities of the Group should income and fund raising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to 12 months running costs c.£4,000.

At the end of the first year the Group held no funds in reserve given this is its inaugural year and the majority of funds have been directed at start up and initial improvements to the facility.

Investment Policy

The Group does not have sufficient funds to invest in longer term investments. The Group has, therefore, adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only a mainstream bank.

Plans for future activities

The main objective for the Group is to maintain momentum and consolidate on the first year's performance. Focus will be directed at replacing equipment and improving the facility where necessary and to generate a contribution towards the reserves target.

The Trustees declare that they have approved the trustee's report above.

Signed on behalf of the charity's trustees
