# CHAIRMAN'S REPORT

Another year seems to have flown by and it's been another busy and very successful year for the whole group.

I would like to thank everyone for their support this includes the children, leaders, executive members and last but no means least the parents, because without all your support the group would not be what it is today.

During the past year all of the section leaders have worked hard to plan many activities camps, sleepovers, kayaking and cycling to name just a few. The group has taken part in many other events, both local and district and from the reports I have received has always conducted itself impeccably and this is a tribute to you all. So well done and carry on the good work.

As a group we are committed to improve equipment and facilities for everyone whilst maintaining a stable financial position for the group. We now have a much improved HQ, which I am sure you will all agree that the improvements made have provided a far better environment for all. With that said we are looking forward to the ever increasing numbers of beavers, cubs and scouts and we are looking at options to expand and further improve the HQ in the future. Safety and security of our buildings, equipment and young people is also a high priority and to that end we have acquired and will shortly be fitting new high security locks to all areas to improve our security arrangements. All this will be achieved with the group still enjoying a stable financial position as you will see within the treasurer's report.

There is much planned for the coming year and you will see more of the details in each of the leaders reports and also on our much expanded web site. I hope everyone will enjoy this year's planned activities as much as they enjoyed last years. We all believe scouting has a lot to give our young people and I know that our group will go from strength to strength, and with your continued support we will all have another enjoyable year

# Group Scout Leader's Report

Congratulations to the group and well done for yet another great year of scouting in

Fillongley. Thanks to all the leaders, helpers, young people and parents for making this happen. Without Dave, our Chairman, and Les our treasurer, and each of the leaders, this group would not be able to continue, and for this I thank you.

In 4 years we have achieved so much of which to be proud, photos of many of these activities are included in this report and on the website. We've had some great new leaders join each of the sections, each one of them bringing their own style, enthusiasm and talent to the group.

Adult recruitment is always a challenge, whether it be leaders, exec

members, people to help with fundraising. The more people that get involved the easier it is for everyone concerned. It's much more fun working out the programme for the term, or evening, or camp over a coffee with friends, rather than trying to make decisions by yourself. If you have a little time to spare to support the group in any way, then please do get in touch.

We have a great programme of camps and activities, joining with District and County activities that complement the

programme. Last year's summer camp in the Peak District at Gradbach enabled

many children to see such fantastic scenery and try real climbing on the Roaches, being it in hail, rain and glorious sunshine. This year's camp near to Chepstow looks as promising.

We have trophies this year from the swimming gala, where we won both the Scout and Overall Group trophies. The Cubs won the District Chess, and B team shield in the cross country running. Well done to all who have represented the group in competitions throughout the year. Every attendance and effort counts. The growth of the group continues, and we are considering the potential need for a second colony and pack in the near future, following our success. Scouting still has so much to offer the young people of Fillongley and the surrounding area. It is hard work, but has to be fun for both the leaders and young people. Thank you again to all adults and young people in anticipation of your continued support.

## *BEAVER LEADERS REPORT*

Well can you believe it has it really been a year since we were last here?

It's been another fun packed time and I

think beavers have enjoyed all the activities but in particular the sleepover at Broadwater and the trip to Twin Lakes.

Some of last year's beavers have now swum up to cubs and I wish them all the very best for the future.

We now also have new beavers and I would like to welcome them into the colony.

It has been personally a difficult year and I would like to take this opportunity to thank everyone including the beavers, leaders, helpers and parents for their support but I would like to make a special thank you to Marilyn (Mole) and Lesley (Fox) for their support following the death of my step father

and running the section in my absence  
But enough of last year what's happening in the year to come. Due to the success of last year's sleepover, another has been arranged at Rough Close for the end of May. There are lots of activities arranged but let's hope for better weather this time.... The District has arranged a trip to Twin Lakes at the beginning of July. Last year's trip saw everyone having a great time, so let's hope this day out is as good. The district sports day is also in May so do get training and with a bit of luck we may come away with a cup.

All of this and lots more fun badge work during our colony evenings. I think you will all agree our beavers have achieved a lot and it's been a pleasure to see the colony continue to grow and develop and with what I know will be your continued support. Let's make this coming year even better than last year.

## *Cub Leaders Report*

Having taken over the cubs during the summer, I unfortunately missed the District Cub Camp, Annual Camp and Family Camp, however, we had cubs attending all three and all appear to have thoroughly enjoyed them. Cubs gained their Naturalist and Personal Safety badges and worked towards their Outdoor Challenge, Hikes Away and Nights Away totals.

In September, we began a tour of Europe with activities based on a selection of countries, teaching the cubs some of the history and culture of each. The Autumn term saw us taking part in a number of District events including the quiz, coming 3<sup>rd</sup> in the District Treasure Hunt and finishing runners up in the Swimming Gala.

We rose to the challenge of the snow in the new year, clearing the paths and drive at the hut (well partly clearing them) to complete our Community Challenge, as well as having fun in the snow with the sledges. We took part in the District Beanbag Hockey, then the District Games Night gave us our first trophy of the year with James Bishop winning the Chess Tournament – excellent performance James – and also congratulations to Ciaran Murray and Alex Pickworth for entering the Dominoes and Draughts respectively, having won our own Fillongley Cubs tournaments the week before. The District Cross Country fell during the Easter

break but I was very proud that we were able to enter two teams. Ashleigh Jay-Tinkler was our first runner to finish, coming in 5<sup>th</sup> out of a field of over 50. We won the 'B' team race, with individual medals for James Bishop (1<sup>st</sup>), Daniel Stinton (2<sup>nd</sup>) and Alex Pickworth (3<sup>rd</sup>). Well done to all 10 runners as well as the parents for cheering them round (I'm sure we can get a parents race sorted for next year!).

We have finished the term with various badge work – hopefully you are all taking care of your Nasturtiums that should be growing well – and have started finding

out all about International Scouting. So far we have had presentations from the cubs on USA, Netherlands, Italy, Cameroon, Malaysia and Ivory Coast!

We were sad to see the parting of several of our uniformed leaders but best wishes and much appreciation goes to Jayne, Mark and Peter. We welcomed Nicola Jackson as a uniformed pack assistant, and also thank you to Alison Bent who often stays after beaver as an extra parent. We now have two new young leaders, Callum and George, and I would also like to thank the numerous others who have helped along the way including leaders from the other sections and, of course, all the parents. Should any of you like to take the next step of getting a uniform and helping on a more regular basis you will be more than welcome!!

Finally, my thanks goes to the cubs. Yes, honestly! Without the boys and girls turning up each week, I just don't know what us leaders would be getting up to. I look forward to the coming year and particularly getting stuck into the traditional scouting activities, camping, badgework and having fun.

Many thanks to one and all

## *Scout Leaders Report*

We are now investing scouts that were invested as Beavers at the re-launch on 24<sup>th</sup> May 2006, -what a journey for them and us!

It's been another packed year for the scout troop. I'm sure we find more weeks in the year than any other group. Highlights of the year have been enjoying chill out weekends with small groups of scouts on the Greenfield camps. 2 members of the leadership team now have permits to take scouts on this type of nights away experience. This type of camping is very relaxed, with low key activities, and keeping the fire going, as all of our food is cooked on ground fires. Megan certainly had a life experience on the last weekend in March at the Berwyns....

*“On the journey home it was revealed that we were not, in fact, going straight home, but taking a highly secret detour.*

*With the whole of Wales available to visit, we had no idea whatsoever where we were going! It turned out that we were going to a VERY smelly RSPB sheep and cattle farm; where we saw big, fat, smelly cows and lots of tiny little lambs.*

*“AWW!” Skip and Chris were told to select the best behaved and most helpful scout throughout*

*the camp. Fortunately, they chose me! YEY!*

*Once I was told to pull the lamb though, which was completely covered in a sticky warm icky gloop, I wasn't so sure*

*Nonetheless, I decided to go ahead and do it! I was very scared, ...then a lamb was born So, after a brilliant, exhilarating, thoroughly enjoyable camp we didn't just come back with a whole load of mud stuck to our shoes and clothes; we came back with a ton of brilliant memories from a camp we will **never, ever** forget! “*

*Megan Shankland*

We've enjoyed kayaking training, in the pool, on the lake and down at Stratford, and the scouts enjoy it so much, they can't

wait for the next sessions. Chris has recently qualified as an archery instructor, and we will

running, hopefully just as popular, archery sessions. The intention also is for the scouts to complete their Master at Arms badge over the coming months.

Last years summer camp in the Peak District was enjoyed by all, including a climbing day on The Roaches, horse riding, and varying degrees of success at the camp cook badge. This year's camp near Chepstow on the Welsh border is looking as interesting, and this year we will be joined by 8 scouts and a leader from 42<sup>nd</sup> Coventry.

Investiture is an important part of the scout's scouting life. Sometimes it happens at the end of a scout meeting, for others, down a cave in the Peak District, and for another, at the top of the bell tower of the St Mary's church, here in Fillongley.

Another high of the year, was the winning of the Scout District sectional trophy at the swimming gala, and the overall Group Trophy, together with our beavers and cubs. Everyone who swam, should be proud of this achievement. Eve certainly enjoyed her evening.

*“Hello to all at Fillongley,  
The thing that I have enjoyed the most in scouting so far was taking part in the 2009 swimming gala. It was a great opportunity to meet other scout groups and to show them that we were able to win the event For me, the highlight of the event was at the end when me and the others that took part received the trophy for winning the gala.”  
Eve Stain.*

We're also very proud that both Eve and Morgan have been selected to be part of the Jamboree contingent to Sweden, in summer 2011, representing Coventry scouting. They will undoubtedly have a trip of their lives & we wish them much success in this adventure. In 2015 the Jamboree will be in Japan, - who from Fillongley will attend then?

We've ended the year with the creative challenge, with thanks to Susan Moore who inspired creative silk painting amongst many, together with bridge

building, reporting skills on the website, and not to forget the huge replica of our group badge made out of hamma beads, which is proudly displayed on the flag wall.

Section B		Structure, Governance and Management
Trustee selection method	The Trustees are appointed in accordance with the Policy, Organisation and Rules of the Scout Association.	
Group Executive Committee	<p>The Group is managed by the Group Executive Committee, the members of which are the "Charity Trustees" of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.</p> <p>The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leaders, individual Section Leaders and Parent representatives and meets every 2 months.</p> <p>The Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:</p> <ul style="list-style-type: none"> <li>a) The maintenance of the Group property;</li> <li>b) The raising of funds and the administration of Group finance;</li> <li>c) The insurance of persons, property and equipment;</li> <li>d) Group public occasions;</li> <li>e) Assisting in the recruitment of leaders and other adult support;</li> <li>f) Appointing any new sub-committees that may be required;</li> <li>g) Appointing Group Administrators and Advisors other than those who are elected.</li> </ul>	
Risk and Internal Control	<p>The Group Executive has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:</p> <p><i>Damage to the building, property and equipment.</i> The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.</p> <p><i>Injury to leaders, helpers, supporters and members.</i> The Group through the capitation fees contributes to the Scout Associations national accident insurance policy.</p>	

	<p>Risk assessments are undertaken before all appropriate activities. Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The Group is in a position after its third year of operation to allocate monies to reserve to help ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.</p> <p><i>Reduction or loss of leaders.</i> The Group is totally reliant upon volunteers to run and administer the activities of the Group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.</p> <p><i>Reduction or loss of members</i> The Group provides activities for all young people aged 6 to 14. If there was a reduction in membership in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.</p>
<b>Section C</b>	
<b>Objectives and Activities</b>	
Objectives of the charity	<p>The objectives of the Group are as a unit of the Scout Association. The Aim of the Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local national and international communities.</p> <p>The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.</p>
Summary of activities	Refer to the Group Scout Leader and Section Leader reports.
<b>Section D</b>	
<b>Achievements and Performance</b>	
Main Achievements	<p>Primary achievements for the year were the continued improvements made to the scout hut facility which built on the progress made during the previous three years following an extended period where the Scout Group had disbanded and the facility had fallen into disrepair. The group also held several camps and added more scout equipment including canoes, dining shelter, ropes &amp; shackles etc.</p> <p>The Scout Group continues to flourish and in its fourth year - the Beaver Colony, Cub Pack and Scout Troop has a total of 75 young scouts supported by 10 leaders.</p>
<b>Section E</b>	
<b>Financial Review</b>	
Reserves Policy	<p>The Group's target for reserves is to hold sufficient resources to continue the charitable activities of the Group should income and fund raising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to 12 months running costs c. £4,000.</p> <p>At the end of the third year the group will add a further £1,000 to reserves bringing the total reserves fund to £3,000.</p>
Investment Policy	The Group does not have sufficient funds to invest in longer term investments. The Group has, therefore, adopted a risk adverse strategy to the investment of its funds. All funds are held in cash using only a mainstream bank and building society.
<b>Section F</b>	
<b>Optional Information</b>	
Plans for future activities	The main objectives for the Group are to further consolidate on a successful fourth year of operation. Focus will continue to be directed at replacing equipment and improving the facility where necessary and to generate a further contribution towards the reserves target. Focus will also continue to be placed on new leader recruitment to ensure we maintain the correct leader & helper ratios in each section.
<b>Section G</b>	
<b>Declaration</b>	
The Trustees declare that they have approved the trustee's report above.	

Signed on behalf of the charity's trustees
