

# INFORMATION FROM FILLONGLEY SCOUTS

News letter  
September 2013

Well done to all the scouts that attended  
Brownsea camp this summer. It was an

amazing camp. The kids were great,  
the weather wonderful and we all  
shared some fantastic experiences  
with memories to last a lifetime.

Next year's camps – we're planning a fitness challenge in Cheshire, 11-14<sup>th</sup> April, indoor accommodation. The fitness challenge is one of the badges needed for the Chief Scouts Gold award. In the past we've done cycling challenges – this one will be a little different....

There is also intended to be a camp 23-27<sup>th</sup> May and 19<sup>th</sup> – 22<sup>nd</sup> July.

We would like Scouts to move to a Tuesday after the November Half term from 5<sup>th</sup> November. Same time same place. If this causes you a real problem can you let me know and we will see if anything can be done. There are many valid reasons for this move and either Lesley or I are happy to discuss with you if necessary.

In the spring term we are looking at running the Mechanics Badge and could really do with some volunteers to help with the knowledge!

We are running some IT badges this term – if any scout is able to bring down a laptop on these nights, please let me know asap, and if any parents can help with this skill on 1 or 2 nights please let me know.

Please look at the programme for future dates and the web site in the Gallery for pictures of many things we have done, as you probably don't get told everything.....

Thanks and good Scouting

Skip, John, Neil, Scott
