

INFORMATION FOR FILLONGLEY SCOUTS

News letter
October 2013

Well done to all the scouts that competed in the Nigel Krohn District challenge competition

We entered 2 teams
One patrol won the First Aid competition, the other the Team work challenge

Next year's **camps** – we're planning a fitness challenge in Cheshire, 11-14th April, indoor accommodation. The fitness challenge is one of the badges needed for the Chief Scouts Gold award. In the past we've done cycling challenges – this one will be a little different....

There are also intended to be camps on 23-27th May and 19th – 22nd July 2014.

Scouts moves to a Tuesday after half term. Our first Tuesday night will be 5th November. The times remain the same at 7-9pm. See you all there.

Remembrance Day church parade is 10th November. We meet at the hut 10am to parade to the church, returning to the hut afterwards.

The **swimming gala** is on the 16th November. It's not competitive, just lots of fun, but even better if we can retain the trophy we won last year! The more people who enter, the more points we can hopefully achieve, so please come along to help your section and the group. Who knows which leaders will be swimming this year? Maybe even some young leaders?

There's also a **bag pack** to raise some money towards your camps and activities at M&S at the RICOH on Saturday 23rd November, 10am – 4pm. Please come and help. There will be a separate letter regarding this activity.

Please look at the **programme** for future dates and the web site in the Gallery for pictures of many things we have done, as you probably don't get told everything.....
Thanks and good Scouting

Skip, John, Neil, Scott
