

Fun in the RI Sun for U13s

The annual end of season tournament at York RI was held in glorious sunshine, although the bitter wind at times reminded everyone the Football season hadn't quite finished. The girls started well with an opening victory against Stamford Bridge with debutant Ellie getting both goals. BWR then had to play the best team in the group, Cottingham Rangers, and a 2-0 defeat doesn't reflect how well the girls played and how close they pushed the eventual group winners. A narrow defeat against York RI was tough on the girls as they didn't deserve to come out of the game with nothing to show for an excellent performance. A goalless draw against Poppleton meant it came down to the last match against Rawcliffe with a win taking BWR through to the next stage of the Tournament, but the girls could only manage another draw. The girls came only a point off qualifying for the Plate Semi-finals and two points from qualifying for the Cup Semi-finals. So close! The girls played excellent football all morning and were a credit to themselves and the Club. Well done girls!

Team: Rose, Emily G, Annie, Isabella, Amelia, Freya, Emily S, Ellie

Captain: Freya

vs Stamford Bridge – Won 2-0 (Ellie -2)

vs Cottingham Rangers – Lost 2-0

vs York RI – Lost 1-0

vs Poppleton Panthers – Drew 0-0

vs Rawcliffe – Drew 0-0

Players

Freya – Confident handling. Superb throw-outs. Commanding Captain.

Amelia – Brave in the tackle. Great clearances. Good passing from defence.

Isabella – Tricks, flicks and skills. Never stopped running and trying for the team.

Rose – Versatile. Great ball control. Corner-kick specialist

Emily G – Great defending. Super speedy winger. So close to scoring!

Emily S – Tenacious going forward. Never stopped running. So close to scoring!

Ellie – Impressive debut. Scored the teams only goals. Strong and fearless in attack.

Player of Tournament: This Player never stopped running all morning. She is an outstanding 'box-to-box' midfielder who contributes to the team all over the pitch. A superb display.
