Thanks to the wonderful efforts of our local councillor Linda Grooby, the residents of Harpur Hill now have 24 hour access to a defibrillator. This was installed on the wall of the Parks Inn, Harpur Hill.

Shortly after the installation there were two sessions of CPR and how to use the defibrillator held in Harpur Hill, when members of the public were welcomed to join in and learn how to use this vital piece of equipment now in our area.

Last year saw the very first “Scarecrow Competition” to be held in Harpur Hill. Many people took part in the event with some very imaginative entries all round. This event certainly raised the profile of Harpur Hill, encouraging visitors from outside the area to visit and see our wonderful scarecrows . WELL DONE TO ALL WHO TOOK PART. See over for details of this years event.
