

NORTHWICK ROAD ALLOTMENTS

ANNUAL PLOT INSPECTION and COMPETITION 2019

Judging Criteria will include:

- 1: Crop varieties:** at least 10 different fruits, vegetables and flowers, more on full plots.
- 2: Plot care:** lack of weeds except round the edges for wildlife, grass paths well-tended, no crops left unharvested, free of rubbish.
- 3: Sustainability:** compost bins; water collection & butts; well organised, paths, storage areas for canes, posts & nets, etc.
- 4: Crop rotation:** beds laid out for alliums / brasicas / roots and legumes etc.
- 5: Greenhouses and polytunnels:** well used with crops and seedlings not just storage.
