## Christmas Gift Idea Archery Beginner's Course

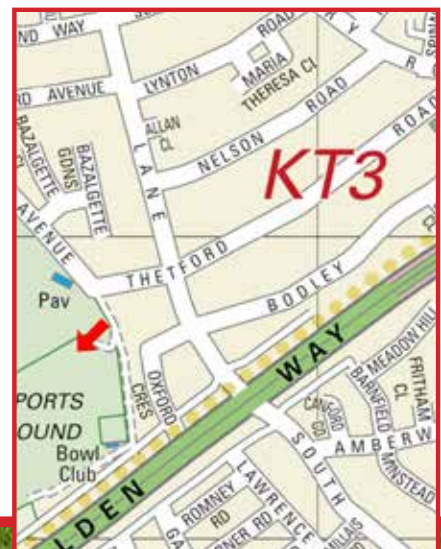

### Gift Cards Available Now

For an unusual Christmas present which combines learning a new skill with a gentle and sociable outdoor activity, why not give the gift of a Beginner's Course in Archery?

Starting in Spring 2018, our club offers courses for beginners interested in exploring archery.

Each course costs £60 for four lessons, running on Saturday mornings, details are on our website. All the equipment you will need is provided by the club.

We shoot at Kings College Extension Ground, New Malden KT3 5DY (*next to Woodies Free House*).
