

Aberthin Village Hall

Sadly there are no recent events to report on due the sad postponement of many events due to the global pandemic we find ourselves living through.

It has been a very challenging time for many and we were all heartbroken to hear of the passing of our beloved John Moore. A hero until the end, the village will miss his stories, his smile and his ever joyful nature. It was fitting then, on the day of his funeral, the village gathered at a distance on the downs to raise a toast to this extraordinary man.

Once government restrictions ease and we are able to safely gather, village activities will resume. We have been buoyed by the community spirit we have seen in these unprecedented times. From the rainbows that have brightened up village pavements and windows, to the vigourous and heartfelt applause (pots and pans, drums, cow bells??!?) for our NHS heroes.

We were also overwhelmed by the support offered for a list of community volunteers that are willing to be contacted as support in an emergency. As many of you are aware we have a defibrillator at the village hall, giving cpr can be exhausting and someone in this situation may need support until the ambulance arrives.

Below is a handy 'cut and keep' information strip with the numbers of our community volunteers.

In the event of an emergency contact Emergency Services. To access the village defibrillator (located at the village hall) phone 999 and enter the code C25 into the box.

If you require extra support while waiting for the emergency services, below are numbers of villagers who can offer support.

Community Volunteer First Responders

Abi

Craig

Rachel

Toby

Martin

Gianna

(phone numbers on newsletters distributed to houses and on notice board)

Our committee has been working hard to make sure our hall is looking good for a return to use, hopefully in the near future. Our treasurer has secured a grant to help us to continue these improvements and to build on this good work.

It has been wonderful to welcome new members to the committee, and with them they have brought a lot of energy and fresh ideas. We hope that, in the near future, we can put these into practice once restrictions have eased. If you are interested in joining the committee, contact one of our friendly members.
