

BENWICK PARISH COUNCIL

Minutes of the Meeting of the Benwick Parish Council on Monday 5th February 2018 in the Church room of the Village Hall in High Street, Benwick PE15 0XA

Present: Cllrs M Chapman (Chair); L Keppel-Spoor; R Few; R Emmitt; L Robinson; A Cade; A Miscandlon (FDC); J Richardson (Clerk), PCSO M Froment and eighteen members of the public

200/17-18 Apologies for Absence: Cllr R Butcher; Cllr D Connor

201/17-18 Declarations of Interest

a) Disclosable Pecuniary Interests declared

210/17-18 a) Cllr L Keppel-Spoor & 212/17-18 Cllr Few

202/17-18 Public Time

Lot of angry people here re Planning Application on agenda. Residents in that area believed when they bought their property there was a covenant to prevent building, and has not been put in by land owner. Application states that short of 42 properties in the village is incorrect. No sewage to East side of Doddington Road so septic tanks needed which would contaminate land. Ask Parish Council to look forward and give support to get this application dismissed.

People moved into that area for the rural aspect of open fields at back of properties, and do not want properties overlooking their properties.

It was felt that if planning application went ahead it may set a precedent for that side of Doddington Road.

Chairman explained Parish Councils role re planning applications, which is to make objective comments and not to approve planning applications.

It was asked if planning applications should be granted when they cannot be connected to a main sewer. What is to stop more houses being built. It is agricultural land and concerns about soakaways into the ditch which is near adjoining properties. There are reportedly bats in the barn.

Cllr Miscandlon (Chairman of Planning Committee FDC) confirmed that a full planning application will come back to the Parish Council. Six or more letters of objection are required to trigger a planning committee hearing.

Believes that a Cllr is speaking when an interest has been declared. Chairman stated that as this is public time this is allowed.

Residents close to the land are very concerned about the proposed development.

Concerned about houses being built behind bungalows. Infrastructure of village cannot cope with more houses.

Chairman was asked if planning application could be brought forward on agenda.

Light at back of bungalows on High Street raised. Light was taken down, with no notice. Chairman replied that the responsibility for the lighting of properties lay with Roddens. The light was condemned and was replaced, by Roddens, with solar powered lights at the back of the properties. It was asked who owns the car park and it was stated that it is believed to be FDC.

Cars parking in front of the shop on the footpath is causing problems. PCSO asked what sort of time this happens? And it was stated that it is all the time during the day, and it would be good if this could be covered in patrols. Area covered by PCSO includes Whittlesey and has found that working with children has helped make parents more aware and will work with the school re parking and the dangers of it in the village.

Benwick In Bloom informed that they are entering the Anglia in Bloom and are encouraging "yarn bombing" to raise cancer awareness.

Storage container on The Pound was raised and it was questioned as to whether this would really be of benefit to the village.

It would be nice to have more trees in the village.

Defibrillator which failed to work was questioned and the Parish Council believe this is still under investigation. The sole contribution that the Parish Council had in this matter was to donate money to purchase the box to keep the defibrillator in, when asked for by another organisation.

PUBLIC TIME CLOSED AT 20.05

203/17-18 Confirmation of Minutes

It was Proposed by Cllr Chapman, and AGREED, to sign and approve the Minutes of the Meeting held on 8th January 2018 **Agreed**

204/17-18 Matters Arising (for information only)

10/01/18 FDC will contact the owner of the site and ask them to attend to the site (Old Butchers Shop, High Street)

17/01/18 Net Tax-Base calculation sent from FDC

23/01/18 Fallen branches blocking footpath down to Cemetery reported to Highways. Mr Langford was thanked for his help in this matter

205/17-18 Police Report

PCSO Mike Froment introduced himself. Email address is:-
michael.froment@cambs.pnn.police.uk

2 Burglaries this month. Two missing people were reported but they have been found safe. A couple of traffic collisions have taken place. Police have to prioritise their workload. 3 reports of hare coursing, one of which was attended on time. School is being worked closely with especially regarding speeding and parking. Litter was also raised. Chat is now available on line for reporting minor issues to the Police.

210/17-18 Item moved forward on agenda by Chairman

Planning

Applications

Cllr Keppel-Spoor left the meeting

a) F/YR18/0025/O Erection of up to 10 no dwellings (outline application with all matters reserved) Land South Of 16A Doddington Road Benwick Cambridgeshire. There are already 2 large areas identified for planning which are currently eyesores (11 off Lilyholt Road). The land off Doddington Road on opposite side of the road to this application (15 houses) has also been recently cleared. Land that is brownfield that has not been used, and this is a greenfield site. Problems with sewers down Doddington Road raises concern about the infrastructure in that area. Develop brownfield sites before greenfield. Can't comment on drainage as there is nothing in application regarding this. Lack of social housing in the village was raised. Do not want to potentially open up the door to significant developments on that side of Doddington Road.

FDC do not have a 5 year housing stock plan, and central government do require this to be planned for.

There could be a smaller development just on the front of the property. Feels as if it may open up other greenfield development in the village when the infrastructure cannot take it. Concern over school places. There was also a mention of bats in the barn.

It was Proposed by Cllr Chapman, and AGREED, that Benwick Parish Council are vehemently opposed to the development of a greenfield site with such a large development when there are already identified brownfield sites earmarked for development for decades, that have not been developed and have turned into eyesores, it would be the Parish Council aim to develop these sites first. There are concerns over possibilities of bats in the barn. Cannot comment on drainage and sewage but would express concerns and request a survey of the facilities and infrastructure along Doddington Road, in particular, with so many sites that would feed into an area that has had to be pumped out regularly over the last few years.

Cllr Keppel-Spoor returned to the meeting.

b) F/YR18/0064/F Erection of a single storey rear extension to existing dwelling involving demolition of existing conservatory 24 Doddington Road Benwick March Cambridgeshire PE15 0UT.

It was Proposed by Cllr Chapman, and AGREED, that Benwick Parish Council has no observations to make

Agreed Clerk

206/17-18 Village Benches

Burnt House Drove Wind Farm application for grant, for bench at War Memorial, has been sent in but panel does not meet until March.

Clr Connor has met with Highways and the area will be tarmacked once the new bench is in place.

Ransonmoor grant application to be completed, for benches in Cemetery.

Cllr Cade left the meeting.

207/17-18 County & District Councillors Reports

Report from Cllrs Miscandlon reported that the dragon pot hole filler is coming to this area. Any potholes locally to be notified to Cllr Connor.

Meeting this week regarding speeding within the villages with Police & Crime Commissioner, and raise Benwick too.

	Government has asked all Councils to list their brownfield sites by end March 2018. There could be clear up costs with some of these, before they can be developed.																									
208/17-18	Street Lights Letter received from FDC regarding Parish Street Lights. Still waiting for proposal from FDC re maintenance of Street Lights																									
209/17-18	Tour of Cambridgeshire Cycle Race The race will be coming through Benwick on 3rd June 2018 and there will be road closures in and around the village on that day. No further actions have taken place but it has been confirmed that the Public House will be putting on some activities.																									
211/17-18	The Pound: A storage container on The Pound has progressed as another village group would like some storage and they may also be able to assist with the provision of a container at a reduced price. It is noted that it cannot exceed a 20ft container. Still pursuing 2 potential quotes.																									
212/17-18	Unadopted Right of Way: Request re writing to landowner to have the gate moved over slightly to allow access for pedestrians, horses and cyclists. This was raised by a member of the Public last month. It was Proposed by Cllr Chapman, and AGREED, that a letter be sent to the tenant farmer urging both parties to come to a compromise solution over access which would meet needs whilst wider issues are investigated.	Agreed Clerk
