FOOTNOTES

- (from Ancestry): son of JOHN LACON & MARY WHITRIDGE of Oswestry - 1 of 8 children (6 daughters & 2 sons ?) - brother was JOSEPH LACON. Mary Whitridge's family were Congregationalists (there were Ministers in the family) - no mention of JOHN'S presence in Sheffield (he married MARY OLDKNOW)
- JOSEPH WATTS - famous for chemist shop Attercliffe - active at Zion Chapel in 1870s

MISCELLANEOUS NOTES FROM DRAFTS OF ZION CHAPEL BOOK KEPT AT SHEFFIELD ARCHIVES

- February 1948, Historical draft by Dr G S Hopwood: "Gates of Zion" - the story of a church. Author, Auberon E B.... (Zion organist for 52 years). MS shown as property of A E Ward, 22 Bramley Park Road, S9.
- Atteclavian folk (people of Attercliffe).
- Goose Green was lost in 1811 as a result of the Enclosures Act.
- Old Hall occupied by the Spencers.
- Broughton was hung in York 14/4/1792 & 2 days later his body was hung in chains for 36 years (taken down in 1827).
- Thomas Hancock mentioned.
- Benjamin Huntsman set up a steel furnace in 1772 near Titterton Street.
- Lack of a Church at Attercliffe, so Matthew Bloome of Attercliffe and Thomas Hancock of Shirecliffe started the Zion Church "midway betwixt". People found Shirecliffe too far to travel for worship.
- First Zion congregation was 25 including Spencer of Attercliffe Hall.
- Bloome died in 1686. Hancock died in 1685.
- OAKES - go back 300 years to the Attercliffe tailor Matthew Oakes (born 1625) - 5 sons went into cutlery (3 into scissors).
- JOHN WHITRIDGE LACON was the son of JOSEPH LACON who worked for JOSEPH READ's Sheffield Smelting Company (now THESSCO) then became manager of new Birmingham branch. Would be good to discover how J W LACON died and clear up the murder mystery (death certificate or newspaper report?) - (although we believe this is just graffiti).

All memorials found to date have also been mapped on a plan, numbered in accordance with this alphabetical list and circulated to FoZGA Committee and Key Members.
