

# Thursday ride to the Bell at Yatton Keynell 06/03/2008

Dennis, Tony, John and Sam waiting to regroup by the Fox and Hounds at Acton Turville. The Cotswold area is a regular area for day rides.

Colin and John demonstrating that racing bikes and touring bikes are equally suitable on a Thursday ride.

Husband and wife team Jerry and Lynne about to be joined by Tony.

John and Keith are well wrapped up against the cold March wind. With so many Johns in the group some even have the same initials, causing John Turton to give his name as JT2 when ordering pub meals.

Mike and Dennis obviously enjoying themselves.

Roy does not get out as often as he would like, but like everybody has the freedom to join in whenever he wants
