Welcome to the June 2023 Flyer

We continue to be grateful to Mantracourt Electronics Ltd of The Drive, Farringdon who are printing the magazine each month.

Contributions to the Flyer would be appreciated by **the 22nd of the Month** please

The weather now is what we would hope for in early summer and the countryside is looking wonderful at the moment. Hopefully the ground will be topped up now and then with some rain unlike last year.

I have used a picture of red valerian which is now appearing out of walls and beside the road. It reminds me of growing up beside the sea in North Devon where it grows everywhere.

The dense clusters of deep pink, almost crimson flowers, of red valerian are unmistakeable as they grow out on tall stems from old stone walls, roadside verges, railway cuttings, cliffs and rocks. Introduced into gardens before the 1600s, this plant from the Mediterranean soon escaped and became naturalised in the wild. Despite its non-native status, it is a good source of nectar from May to October for bees, butterflies and moths like the Hummingbird hawk-moth.

CALLING ALL FARRINGDON PAST AND PRESENT RESIDENTS

Do join us for a Coffee Morning in the Village Hall on Saturday June 3rd

between 10-30am and 12 noon

DIDN'T FARRINGDON DO WELL !!!

Following on from the commemoration of the anniversary of the Polish Airforce Mosquito plane crash during World War 2, held at the village hall, two more events have also been in the hall. A number of villagers from various parts of the village joined for the Coronation Tea held on the Saturday afternoon. A children's colouring competition was held and the glorious weather made the treasure hunt in the area around the hall and churchyard very enjoyable, causing several to scratch their heads in search of answers to clues. Thank you to the Village Hall Committee and Parish Council for supporting the event.

As a follow on to the Polish air crash commemoration Jerry Bird gave a talk in the village hall on the afternoon of Sat 13 May 23. This was well attended and Jerry presented a very interesting and informative talk on the events leading to the death of the 2 members of the Polish air crew. It was very sad to hear of the events that led to their death within our village. At that point in history 1943 was an important time in the whole of the South of England and RAF Exeter played its part, the surrounding area around Farringdon steadily growing with Allied troops in preparation for D Day.

To those who helped in the preparations prior to these events, and on the day, a BIG thank you.

Brian Curryer.

SIMON BOLT

Simon, Jackie and family moved into Wood Barton, Farringdon 33 years ago.

Simon loved village life, attended the church and enjoyed making the mulled wine for the Christmas Eve service.

He went to York University studying Mathematics and then joined the family business, Fred Keetch Art Gallery with galleries in Exeter Cathedral Yard and Exmouth.

He had a full life with many interests including sailing, art, drama, photography, nature and playing Bridge.

During his retirement they were able to travel to many interesting countries.

Above all, Simon was a very loved husband, father and grandfather and friend to many in the village and who very much enjoyed family gatherings and social get togethers.

Simon died on Sunday 23rd April at home surrounded by his family.

He is loved by his family and sadly missed.

FAREWELL SIMON.

It was a sad day when a church full of family and friends gathered to say a fond farewell to Simon Bolt. Sad, yes, but tinged with a pleasant feeling as through the sun shine Simon looked down upon us to ensure that the service that he had planned went accordingly. He would not have been disappointed. Members of Simon's and Jackie's family gave interesting accounts of various parts of his life, my, didn't he accomplish so much !!! Simon and Jackie have lived in the village at Wood Barton for 30 plus years and were active in many things, Simon being very keen in local amateur dramatics. Simon and Jackie have always been active members of the church, village hall and continually, almost since its inception, delivered The Farringdon Flyer to those in the centre of the village.

The deterioration of Simon's health has caused him to battle very hard over recent times but he continued to the end with tremendous will power.

So, farewell Simon, we will miss you, but you are not forgotten.

Anne & Brian Curryer.

(This will be followed by the Annual PC meeting and Farringdon PC meeting) The purpose of calling an Annual Parish meeting is so that the Council can explain what it has been doing over the last year and it enables the electors to have their say on anything which they consider is important to the people of Farringdon parish. SUMMARY OF FARRINGDON PARISH COUNCIL ANNUAL PARISH COUNCIL MEETING

Tuesday 16 May 2023 at Farringdon Village Hall (followed on after Annual Parish Meeting)

Hall (Note these are NOT approved minutes) Full PC minutes once approved will be available on the PC page of the village website:
fra.chessck.co.uk

Chair J Hutchings opened meeting at 7.40 pm attendees as before. (Chair J Hutchings, Vice Chair N Hodges, Parish Cllr. B Pearce, Parish Cllr J Chanot, District Cllrs, E Rylance, S Chamberlain, County Cllr. S Randall- Johnson, 1 member of the public present)

1. Election of Chair *Cllr. N. Hodges nominated Cllr J Hutchings as Chair and Cllr J Chanot seconded the motion*

2. Election of Vice Chair *Cllr J Hutchings nominated Cllr N Hodges as Vice Chair and Cllr J Chanot seconded the motion*

3. **Election of representatives to committees (Airport/Crealy/HB).** *The PC agreed that as all parish councillors are working and leading very busy lives that nominations for the committees will be made on the understanding that there is flexibility and that if unable to attend any other parish councillor could take their place if available.*

- *Airport Committee – any available parish councillor*
- *Crealy Liason Meeting- Julian Hutchings*
- *Hill Barton Liason Meeting- Jane Chant*

4. **Report from Chair-** *Chair JH reported that the main concern of the community and the parish council during the last year had been the draft Local Plan. Major concerns had been raised by parishioners for the Options being promoted for a large new local town in Farringdon Parish. Parish Councillors had spent much time attending and speaking at EDDC Strategic and Scrutiny Meetings to voice the PC concerns on the process and the options. During the last 12 months several major planning applications had been refused by EDDC most notably the illegal lorry park at HB. Local Elections had taken place in May which had resulted in many new councillors joining the district council. The community had come together to install a permanent historic memorial to the Polish Airmen of WW2 and the event had been very well attended. Also well supported was the recent Coronation Tea at the village hall to celebrate the new King. Farringdon continues to be an active and vibrant community.*

5. **Village Hall Report** *Chair J H read out Farringdon Village Hall Report submitted by D Cowler. Key points of the report*

- *“The Hall account continues to be in a healthy position (£8746 as of the end of April) due to the Covid grant, and the regular hire charges we received from Danny Watts for use as a gym when there was not much else able to occur. As you will be aware Danny now has his own premises in Aylesbeare so we are back to the situation pre Covid.*
- *The square dancers continue to use the hall on Monday and Wednesday mornings and there were occasional parties, bookings, and other events such as the memorial event for the Polish airmen of 307 squadron and a successful Coronation Tea.*
- *You will be pleased to know that the Jurassic Broadband has now been reinstated and the hall will be paying the monthly fee for this. It is also hoped to arrange for the outside of the building to be decorated, the door and notice board having been treated last year.*
- *The hall AGM will be held in June at a date to be advertised in the next Farringdon Flyer”.*

Chair closed Annual Parish Council Meeting at 8.05pm

8. Planning –

a. a) 23/0298/FUL Proposal: Proposed replacement building for Vaccination Centre. Applicant: FWS Carter & son, Greendale Business Park, Road to Greendale Business Park, Greendale Business Park, Woodbury Salterton EX5 1EW *PC reviewed the amended plans and agreed that although there were no concerns regarding the proposal the main concern was the speed limit on the A3052 road. The speed limit must be brought down to 40mph , (as is planned for Clyst St Mary through to the Cat & Fiddle). The PC has expressed its disappointment that the proposed 40mph speed restriction will not include Farringdon despite numerous requests over the past 20 years. Serious accidents continue to take place in Farringdon on the A3052 on a frequent basis and a reduction in speed is paramount.. This application will only increase the traffic to the A3052.*

b) Ratification of planning applications , 23/0556/FUL, 23/0481/FUL, 23/0717/FUL, *The PC reviewed these applications at the last meeting and have no further queries . These applications were ratified.*

11. Matters Arising- none

12. Items at Chairman's Discretion none

on Tuesday 13th June**

Please come and support your hall

New committee members are always welcome

Monthly Recipe - Cider Cake

This is a really easy fruit cake to make & it keeps for at least a week if wrapped in tin foil once cooked & cooled

100g butter or marg
150g dark soft brown sugar
350g mixed dried fruit
8fl oz cider
1 heaped tsp mixed spice

Place all the above ingredients in a pan & bring to the boil. Allow to cool completely (I often do this part on one day then add the other ingredients on the following day & cook it). If you don't allow the fruit to cool completely, all the fruit will sink to the bottom of the cake

Once cold, add:

2 eggs
200 self raising flour

Mix well.

Line a 7" baking tin or a loaf tin & bake for about 1.5 hours on gas 4, 325°f/160°c

Enjoy!

Energy efficiency upgrades available for low-income households

We've been working with our partners to offer lower-income householders across Devon and Torbay, who are not on the gas network, the chance to obtain free energy efficiency improvements to their homes.

Eligible homeowners will be supported throughout the works and can help to decide what improvements are made.

All those supported through the scheme will receive a whole house energy improvement plan which can be used to carry out further, self-funded measures in the future.

The Home Upgrade Grant scheme aims to deliver energy efficiency and low carbon heating improvements to low-income households living in poorly performing homes.

It's all thanks to the £13.2 million worth of funding that we secured to deliver this project over two years from April 2023 until March 2025.

Beatrice Stothert, the 100,000th Bikeability trainee in Devon receives a bike and certificate from Councillor Stuart Hughes

Bikeability in Devon – 100,000 and counting!

More than 100,000 children in Devon have now received Bikeability cycle training.

The impressive milestone has been reached after 17 years of us running the scheme in the county.

West Exe School pupil, Beatrice Stothert is the 100,000th Bikeability trainee in Devon.

To celebrate the occasion, she was presented with a certificate and a bicycle by Councillor Stuart Hughes, our Cabinet Member with responsibility for cycling.

Beatrice, aged 11, gained her Bikeability Level 3 award. She said:

"I was really surprised to hear that I was the 100,000th Bikeability trainee. I am so happy to be able to celebrate this achievement with the team. I thoroughly enjoyed cycling out with my little group on my Level 3 course, it was great fun. We went on some busy roads that I wouldn't have felt safe on before, but the instructor was excellent."
