b) Any other planning matters *K. Ham outlined to the PC the various breaches associated with Digestate and the Lagoon situated in Farringdon. District Cllr. S Chamberlain advised of the 3 different breaches related to this. She advised that they were going to request a meeting with E Freeman to discuss before 23/06. The PC advised we were not in a position to offer any financial support to KH. KH is to keep Farringdon PC informed . He will email S Chamberlain the outcome of the meeting of 26/06.*

- District Cllr S C advised that the recent application for a vaccination centre at Greendale had been refused

9. Parish Council Matters

a. Parishioner Concerns-

Cllr. JC outlined matters discussed at the recent Hill Barton Liason Meeting.

Re- Parishioners continue to advise of severe dust from top of bunds. Cllr JC informed the PC that the EA had now placed sophisticated particulate monitoring equipment at HB for 4 months. This should be able to accurately identify particulates and the direction of where they were coming from. Exeter University are leaders in the analysis of particles. Cllr JC also advised that EH (Ian Winter) was acting on dust cloud issues quite quickly.

Re- size of HB mounds. The mounds are increasing in size and have become a real eyesore on the Farringdon rural environment. Parishioners continue to raise concerns regarding the increase in size. These should not be higher than 5 metres. At the recent HB meeting It was discussed as to whether extra planting should be increased to mitigate these.

Re- concerns about glaring lights across HB – these appear to be coming from Sunbelt- can they be baffled?

Cllr Jane Chanot is the parish council representative on the Hill Barton Liason Committee. She is happy for parishioners to contact her directly via her mobile for any issues relating to HB. Her contact details will be placed in The Flyer.

- A Farringdon Resident of 37 years addressed the PC to ask for an urgent review of the speed limit set in Farringdon. The resident lives directly on the Sidmouth Road and expressed great anxiety at the increase in speeding traffic and the accidents taken place. The chances of a fatality unless the speed limit is curbed are increasing every day. The PC advised that Cllr BP had participated in the recent Bishops Clyst Traffic Group . The PC had requested that the proposed reduction in speed to 40mph due to take place as far as The Cat & Fiddle be extended to Farringdon but Highways had rejected. District Cllr S C advised to keep trying.

- A resident advised a previously reported road deterioration to DCC Highways remained unrepaired despite advising Cty Cllr SRJ about the problem.. The PC suggested further reporting on the same issue directly to the DCC Highways site. Also copy in Cty Cllr H Gent

b. Proposed footpath project- *Clerk confirmed request had been made to TG to clear the Public Right of Way near Princes Paddock. The PC asked Clerk to chase up- clerk to action*

c. Any other Parish Council Matters-

Cllr. B P advised that he had almost finished the replacement signpost and Chair JC will assist in helping him install it. The PC thanked both.

Cllr JC asked Clerk if she could contact the nursery off Spain Lane to see if any volunteers might be interested in assisting. – clerk to action

10. Finance Annual Return- Clerk submitted Accounting Statement for Financial year 2022/23. PC reviewed and approved

11. Confirmation of next PC meeting - PC confirmed

Monthly Recipe - Lemon Crunch Pie

This is a very simple recipe that is great made the day before it's needed as it enhances the zing. It's perfect for hot summer days so I hope the weather is still nice by the time this reaches you!

- 225g crushed biscuits (these can be digestives, ginger nuts or biscoff lotus biscuits, all work really well. If, like me, you dont have a food processor, just put the biscuits in a bowl & bash them into tiny crumbs with a jar of jam!)
- 85g of melted butter

Mix these together & press firmly into an 8" (20cm) flan dish & refrigerate.

- 2 lemons
- 397g tin of sweetened condensed milk
- 150ml double cream

Whisk double cream until stiff.

Whip sweetened condensed milk for approx 4 mins then add juice & zest of the lemons.

Fold in the double cream & pour into serving dish & refrigerate.

I use a 3rd lemon very thinly sliced to decorate.

Enjoy!

That's why [we're inviting children aged five to 16 years old, who receive benefit-related free school meals, to take part in a range of exciting activities over the school summer holidays.](#)

Once again, we have teamed up with over 60 different activity providers across Devon to offer a great range of indoor and outdoor activities as part of the Government-funded Holiday Activities and Food (HAF) programme, which offers free activities and healthy meals during the school holidays.

Activities range from sports such as football and kayaking to other activities like gardening, outdoor treasure hunts, and craft sessions. Some providers are offering special visits from storytellers, magicians, animals, and trips to local attractions. And this year, there are more places available for secondary school aged children and young people, with activities including go-karting, climbing, trampolining, high ropes and surfing.
