Welcome to the August Flyer

I am happy to say that we are able to continue delivering black and white paper copies of the Flyer to all residents of Farringdon. This is possible due to the much appreciated assistance of Mantracourt Electronics Ltd of The Drive, Farringdon who are producing the copies.

We will continue to publish on the Village Facebook page and the Parish Website in colour.

Contributions to the Flyer would be appreciated by **the 22nd of the Month** please.

This month's cover picture is of one of the the **Birth Flowers for August**, the Poppy.

The August birth flowers are the **gladiolus** and the **poppy**.

The **gladiolus**, or 'sword lily,' represents remembrance, calm, integrity, and infatuation.

Gladiolus indicates that the heart is being "pierced with love."

The other August flower is the **poppy**:

- A red poppy signifies pleasure;
- A white poppy is given for consolation; and,
- A yellow poppy wishes wealth and success.

 - a. **22/1104/VAR and 22/1106/VAR Enfield Farm Biodigester Applications.** The PC unanimously supported all comments made by both Bishops Clyst PC and Gaeron Kayley Chair Clyst St Mary Residents Association. This application cannot be supported and should be refused. Clerk to send in full comment echoing same concerns

b. County Matter Planning Application

Variation of condition 15 of planning permission 07/00955/2006 to permit fixed wash plant or machinery for inert recycling operations at Hill Barton Business Park, Exeter, EX5 1SD The PC discussed and agreed that the reference to the Curload Consultants Noise Report is now outdated as there has been continuing expansion of commercial business at HB since the report and the culmulative noise levels have increased substantially. Clerk to submit comment

c. **Update on Local Plan** Cllr E Rylance advised that sites are still under consideration and will be available for consultation in the autumn

d. **Any other planning related matters**

9. Parish Council Matters

a. Parishioner Concerns- several parishioners submitted photographs and reports to the PC on the appalling condition of Spain Lane. Very large commercial vehicles in increasing numbers are using this lane. Frequently these large lorries are travelling to access the Digestate Lagoon as well as Willow Farm. The surface of the road has now opened up with major cracks. The sides of the lane are now hollowed out to such an extent that parishioners feel it is not safe for car use. The problem has been reported to Helen Selby at Highways but further sections are now deteriorating so quickly that further reporting to Helen is needed. Patching up areas not qualifying as a pothole size is a waste of time. The PC urges parishioners to keep reporting continual deterioration to Helen Selby

Parishioners continue to raise their concerns with the PC on a weekly basis regarding appalling odour coming from it is thought both the digestate lagoon/lorries delivering to the lagoon and Coastal Organics. During the summer months these bad odours have increased. Weekly reports of odour and noise pollution are submitted to the parish council from distressed Farringdon residents. It is critical local people report to the relevant authorities as soon as they experience bad odour or nuisance noise at high levels whatever time or day these take place. The more complaints are made the greater the chance of local authorities taking action to mitigate this odour and noise pollution. It is unacceptable that due to residents suffering this bad odour and noise pollution their right to enjoyment of their homes, in the warm weather, is severely compromised..

b. Air Pollution Services Report- The PC discussed the submitted reports from APS Consultancy Services and agreed that Cllr J Chanot should enquire as to the cost of a further investigation into odour and noise specifically relating to the summer months and conditions. Cllr JC to advise

c. Any other Parish Council Matters Clerk advised that the internal auditor had signed off the Annual Return without any concerns. All statutory notices had been displayed as required. She also mentioned that Jane Clerk (internal auditor) had now achieved CILCA qualifications for which Farringdon PC sent congratulations.

10. Finance

a. HSBC Statements for both accounts, receipts received & payments made.

The monthly bank statement was reviewed by the PC and approved.

11. Matters Arising- None

12. Items at Chairman's Discretion None

13. Confirmation of next PC meeting

There is no parish council meeting in August.

PC agreed **6 September** for next PC meeting date
