## Welcome to the February 2024 Flyer

We continue to be grateful to Mantracourt Electronics Ltd of The Drive, Farringdon who are printing the magazine each month.

Contributions to the Flyer would be appreciated by **the 18th of the Month** please.

The Cover picture this month is of Woodbury Castle. The picture below shows how it might have been 2500 years ago.

Last month I wrote that hopefully 2024 would have better news than 2023. Unfortunately that has proved not to be the case.

We have just heard the very sad news that Brian Curryer passed away suddenly on the 19<sup>th</sup> of January. Brian and Anne lived for many years in the Drive and a few years ago moved to be nearer their daughter Michelle.

Brian could always be relied upon to help with any event in the village and for years he and Anne produced and delivered the Flyer. Brian was still delivering around the Farringdon House area, and for the last few years has been cutting the churchyard grass. He has been a much valued member of the church and the wider community.

Our thoughts go out to Anne, Michelle and all the family, Brian will be sorely missed by us all. He will leave a huge gap.

There will be a service of thanksgiving at Farringdon Church on Friday 9<sup>th</sup> February at 11.30 am.

## NEW PARLIAMENTARY ELECTION BOUNDARIES

As you may or may not know the boundaries have again been altered to equalize as far as possible the numbers on the electoral roll in each constituency.

We will now be in **EXMOUTH AND EXETER EAST** as shown on the following map.

Anyone interested in the rules for those wishing to stand for election can see the link below.

[https://www.electoralcommission.org.uk/sites/default/files/electoral\\_commission\\_pdf\\_file/UKPGE-nominations-factsheet-FINAL.pdf](https://www.electoralcommission.org.uk/sites/default/files/electoral_commission_pdf_file/UKPGE-nominations-factsheet-FINAL.pdf)

### **CALLING ALL FARRINGDON PAST AND PRESENT RESIDENTS**

Do join us for a Coffee Morning in the Village Hall on Saturday Feb 3rd between 10-30am and 12 noon

Any contributions will go to The Church Roof Fund

## FEBRUARY GARDENING TIPS:

- Undertake hard pruning of deciduous hedges while they are dormant & bare of leaves.
- Prune autumn raspberries by taking down all of last year's canes to ground level. New canes will shoot and bear this year's fruit.
- Prune late summer flowering clematis by taking down to the lowest pair of buds. This will provide vigorous new growth and hopefully plenty of flowers.
- Cut back perennials down to the base, providing there are no frosts.
- Start sowing peppers and chillies as they need a long growing season. Sow indoors in trays on a warm sunny windowsill or in a heated propagator.
- Keep deadheading winter pots of pansies, cyclamen, primroses for continual flowering.

## HILL FARM

Hello, my name is Marcia Hoskins.

My family on my late mother's side were the tenants of Hill Farm, Farringdon, until 1952.

The last occupants were brother and sister, Willie and Sarah Miller, and as a teenager I spent time on the farm with my parents.

I attach a photograph of Hill Farm as it was in 1950. The original farmhouse was thatched, contained dining and sitting rooms and bedrooms on the upper floor. The two storey brick and slated addition housed the kitchen, with open fire, and the dairy with white brick floor. The water pump was in the back cobbled yard.

On a recent visit to the churchyard, I obtained the Farringdon Flyer and thought your readers would appreciate my memories of the long gone farmhouse.

### **YOUR CHURCHYARD NEEDS YOU**

If anyone could spend an hour or so to help out with the maintenance of the churchyard, this would be most appreciated.

This could be mowing, strimming or keeping the graves and hedges tidy.

If you could spare a little time to help please contact David on 01395 232459

***Any baptisms, marriages, funeral services or hospital visits may be arranged by contacting***

***the Church Admin Officer Jill Dupain [dupain@hotmail.co.uk](mailto:dupain@hotmail.co.uk) or the Church Warden Dawn Cowler on 01395 232249***

### **DO YOU NEED ASSISTANCE WITH THE COST OF YOUR CHILD'S EDUCATION?**

#### **ARE YOU STRUGGLING WITH UNIVERSITY FEES, THE COST OF SCHOOL TRIPS, MUSICAL TUITION etc?**

If so, the church may be able to help you. There is a charitable trust called the Challice Educational Foundation which is able to offer assistance to any children under the age of 25 years of age who live in Farringdon.

If you think we may be able to help, do telephone me for a chat to discuss your needs. Dawn – 01395 232249

### **CHRISTMAS EVE CAROL SERVICE 2023**

First of all I would like to thank everyone who contributed to making this year's event such a success. Those who decorated the church, helped with the mulled wine and nibbles in the hall and the parking. We are also grateful to the choir organized as usual by Liz Whittaker.

There were 112 people of all ages in church and the collection came to a total of £471.61 shared between 'St Petrocks Exeter' and 'The British Red Cross Israel and Occupied Palestinian Territory Appeal'. There will be an additional £118 later from Gift Aid.

Dawn (Church Warden)

## NEWS FROM DEVON COUNTY COUNCIL

### Proposed transfer of powers and funding to local government

The Minister for Levelling Up, Jacob Young, was at the EPIC Centre in Torbay yesterday to sign a ground-breaking deal that could transfer significant decision-making powers and funding, from Whitehall to local government in Devon and Torbay.

The proposed Deal could mean that more decisions can be taken locally by people who know their areas best, and on things that matter to local people, such as building more affordable homes, investing in new quality jobs and skills, and improving public transport.

Mr Young was joined yesterday by the Leaders of Devon County Council and Torbay Council, two local MPs, and the Police and Crime Commissioner for Devon, Cornwall and the Isles of Scilly.

But before the proposal can be confirmed, it first needs to be supported by the two councils, followed by a six-week public consultation.

### What would the Deal allow the local councils to do?

It would allow important decisions to be taken locally by people who know their areas best, on things that matter to local people, such as building more affordable homes, investing in new quality jobs and skills, and improving public transport.

Here's a summary of the highlights:

- under the proposals, the CCA would have direct control of adult education to create up to 50,000 new training and retraining opportunities by 2030
- it would create a stronger relationship between employers and schools, colleges and universities to provide the skilled workforce the local economy needs for the future
- it would see the Government transfer over £16 million to invest in new green jobs, homes, skills, and business growth, and accelerate Devon and Torbay's transition to a net-zero economy
- there would be a stronger partnership with Homes England to create a joint local action plan for affordable housing schemes for local people, and reduce homelessness
- it would lead to even closer working between Devon and Torbay to improve the efficiency and co-ordination of public transport. There is an ambition to introduce a single ticketing system for travellers and investment in services to provide greater access to public transport
- Devon and Torbay would be responsible for developing, designing and delivering the next stages of the UK Shared Prosperity Fund from 2025
- there would be a significant boost to high growth business sectors in Devon and Torbay, such as advanced marine engineering, defence, photonics and digital
