Welcome to the November Flyer

I am happy to say that we are able to continue delivering black and white paper copies of the Flyer to all residents of Farringdon. This is possible due to the much appreciated assistance of Mantracourt Electronics Ltd of The Drive, Farringdon who are producing the copies.

We will continue to publish on the Village Facebook page and the Parish Website in colour.

Contributions to the Flyer would be appreciated by **the 22nd of the Month** please.

This month's cover shows the Cenotaph in Whitehall with Remembrance Sunday coming up on 13th November. This will be the first year that Charles III will be attending as King.

In Farringdon we will be holding our normal Holy Communion Service precede with a gathering by the War Memorial in the Church porch. We will meet in Church at 10.50 in time for the two minutes silence at 11.00 pm in the porch. The service will then continue in Church.

The Farringdon War Memorial is positioned above the door in the porch. This enabled all who fought to be included.

The seven who died in the service of their country are marked with a cross.

There are no names for the second world war as, unlike in the Great War, Farringdon being a rural community had residents in reserve occupations such as Farming. These residents were involved in other capacities such as the Home Guard and some in Churchills Secret Army.

EAST DEVON DRAFT LOCAL PLAN (Extracts from Devon Live)

Councillors on Tuesday 1st November were set to recommend endorsement of the draft local plan which outlines plans for further housing growth across the district over the next 20 years. The Strategic Planning Committee were recommended to approval the plan for consultation.

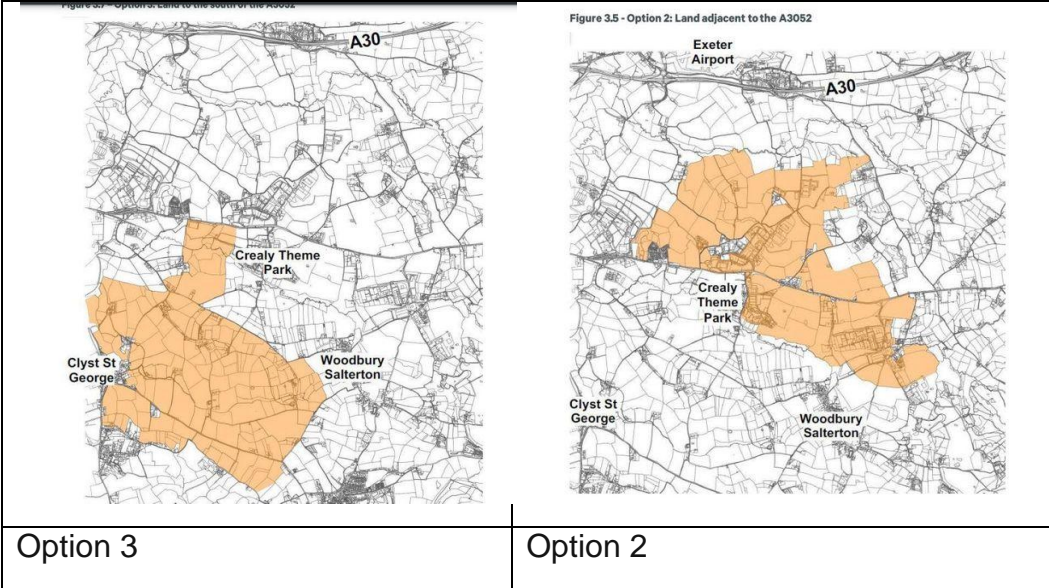

The preferred site for the new town would span land north of the A3052 near Crealy Adventure Park to the A30 near Exeter Airport. The indicative boundary would see it spread towards Farringdon in the east, and out towards Westpoint to the west. To the north, it would run towards the junction between the A30 and Exeter Airport, and across the farmland between the sites.

Figure 3.3 - Option 1: Land to the north of A3052

Option 1 - the preferred option - for a new town in East Devon

Option 3 is an alternative location to be consulted on, but is the second favourite. It is a site which spans from the edge of Clyst St George to the west, to Woodbury Salterton to the east. The boundary of the site would head towards the edge of Woodbury to the south, while to the north, would run as far as land next to Crealy Adventure Park and the Cliff Hill Training Ground.

Option 2 – the report says – should be discounted. This site would have bordered the A3052 next to Crealy, running out towards Greendale Business Park to the south of the road, and out towards Farringdon and around Hill Barton Business Park to the north of the A3052.

THE NEW TOWN

Amongst other key facilities this scale of development will be appropriate to ensure that a secondary school is planned and built to serve the new town with potential capacity to also support needs generated from surrounding areas. A new town will be a long time in the planning and it is unlikely that any new homes will be completed until around 2030. The second new town will, therefore, see most of its development happening outside of the life of this local plan and potentially running beyond the mid-point of the 21st Century.
