Welcome to the May Flyer

As has been the case during the last few months we will be publishing the Flyer on the Farringdon Web and Facebook pages during the current Coronavirus restrictions.

As I write this we have at last just had some rain to dampen the very dry ground. Hopefully we may have a little more and then warmer temperatures to get things growing.

The cover picture this month is of the bluebells at Blackberry Camp which will be well worth a visit this month.

Blackberry Camp

Over 2000 years ago a group of Iron Age farmers dug out tons of earth from surrounding ditches to create the ramparts for a hill fort. Today we can see the remnants of all their hard work in the woods at Blackbury Camp.

Where to find it: look for the brown signs on the A3052 Sidmouth to Lyme Regis road. The camp is near Southleigh, Colyton, EX24 6JE, about 15 minutes drive from Sidmouth.

Parking: there's a small free car park immediately beside the earthworks, plus parking in the lane nearby.

USE YOUR VOTE!

FARRINGDON NEIGHBOURHOOD PLAN REFERENDUM MAY 6TH

The referendum on the Farringdon Neighbourhood Plan takes place on the 6 May, in the Village Hall based on a new planning document designed to strengthen the District Local Plan. Unlike the District's Local Plan any Neighbourhood Plan must be approved by residents through a referendum so it is vital that it reflects those issues that local people feel are important. The Farringdon Neighbourhood Plan has been created following three years of consultation with residents and businesses across the parish and clearly states the key issues that have been identified. The Neighbourhood Plan will help determine how Farringdon develops up to 2031

You can vote in the referendum if you live in the parish of Farringdon and you are on the electoral register. If you are not on the electoral register you will need to register to vote. Contact the elections office at East Devon District Council or register online at www.aboutmyvote.co.uk The referendum is being held with the Police Commissioner and County Council elections.

You will be asked: Do you want East Devon District Council to use the Neighbourhood Plan for Farringdon to help it decide planning applications in the neighbourhood area? The Farringdon Neighbourhood Plan will come into force if a majority of those who vote support the Plan.

View the plan at EDDC using the link

THE VICAR WRITES...

Bill Lemmey Woodbury Vicarage

I read the following idea for an assembly; adapted it a bit and then used it. It uses some of the different messages found as potential explanations in each of the four gospels. What do you think? I wonder what the children will think?

Here it is – edited a little for space reasons: after the opening news headline, pause and ask yourself what your response would be.

The “beeps” from the News sound.

Newsreader:

Good morning and welcome to Lady Seaward News. Our main headline today: a man has *risen from the dead* after three days. [*Newsreader freezes*]

Leader: What do you think? Would you turn off the radio, or would you want to hear what the newsreader has to say? [pause]

Newsreader: The disciples of Jesus of Nazareth, killed by the Romans, are claiming that he has *risen from the dead*. Our reporter in Jerusalem is at the site of the garden tomb.

Reporter: Amazing scenes here in Jerusalem where, as you can see, the tombstone has indeed been *rolled away*. No obvious sign of a body within. I am standing here, next to the empty tomb where, just three days ago, Jesus was buried. Jesus' followers are convinced that he has been *resurrected* and *defeated death*.

Mary: I saw him. I thought he was the gardener. But no! He knew my name; it was really him.

Peter: It's true, I tell you! The body has gone; there is nothing left but grave clothes, and the huge stone has been *rolled away*!

Reporter: Not everyone believes that Jesus has *risen from the dead*, though, and the Jewish and Roman authorities are keen to dispel the dangerous rumour.

Person 1: I don't believe it. It's nonsense! No one can survive crucifixion! I think the women who came to anoint the body went to the wrong tomb!

Person 2: Well, I don't think Jesus really died on that cross. He probably survived, bribed the soldiers and then escaped. He simply pretended he was dead so that he could pull this stunt!

Person 3: I'm not so sure you can trust those disciples, you know. I reckon they've stolen the body and hidden it. Then, in order to cover their guilt, they've invented this story to say that Jesus *rose from the dead*. Whoever heard of someone coming back from the dead!

Person 4: I saw his followers after Jesus was crucified. They were full of grief, proper crazy! Grief can do funny things to people, you know; they've probably had hallucinations – seeing him when he wasn't there.

Person 5: Well, I can't think that they'd lie. Maybe Jesus could have *risen from the dead*. Maybe he was as powerful as he said.

Reporter: What do you think is the best explanation? We must each make up our own minds.

Leader: The resurrection, the reason for Easter and a key tenet of Christianity – what for you is the best explanation? And ... if you agree what this unlikely event is true ...

WHAT ARE YOU GOING TO DO ABOUT IT?

A MESSAGE FROM DEVON COUNTY COUNCIL

Be cautious, if we're to avoid an upturn in cases

Positive cases of coronavirus in Devon have levelled off, following a period of decline.

"Now is another critical time, if we're to avoid an upturn in cases again," said Steve Brown, Director for Public Health Devon.

Until recently case numbers in Devon had been falling, but the data for the latest available week show rates are stabilising.

"The latest data is beginning to cover the period since restrictions have eased. At the same time, the vaccines are rolling out to younger priority groups.

"Naturally there's optimism in the air, and although that's good news, I do want to repeat the need for us all to remain very cautious, otherwise we will start to see those case numbers in Devon rising again.

"Right now, the vaccine alone is not the single solution. It's vital that the measures that we're all familiar with – keeping our distance, wearing face coverings when indoors in public spaces, and washing our hands regularly – remain part of our everyday lives.

"The restrictions at the moment allow meeting in groups of up to six, or two households, outdoors only. So while the evenings are still a little cool, please do not be tempted to take your gathering indoors. Outdoors, in the fresh air, is safer as it reduces the chance of the virus being transmitted."
