

Friends of Keston Common, Ravensbourne Open Space & Padmall Wood Activity Mornings : Apr 2024 - Jun 2024

All Friday mornings begin at 10am. Gloves will be provided as well as essential PPE and tools, as required. Tasks may occasionally vary from those listed but the **meeting place** will always be **Westerham Road car park** for a few minutes litter picking around the area before moving to the main task. Volunteers should bring their own refreshments as these will not be provided at this time.

PLEASE NOTE: The tasks in this programme are the main task for the day and if you don't feel that the task is for you please do come out anyway because there are always other things that can be done, by anybody of any ability or age. The main thing is that you enjoy yourself and we get things done that we would struggle to achieve without the help of volunteers.
