

Weedon Village Fete

Saturday September 17th 2011

At Croft Way Playing Field

WSA presentation for new Community Facility Building was on display at the Village Fete which is open to the public from 1pm through till 4pm. The weather was somewhat unsettled with rain showers and sunshine so many people were busy watching the displays and visiting the sideshows. The WSA stand was perhaps a lesser attraction on this type of day however we did get quite a lot of people showing an interest. We also managed to get four new people to sign up to the 400 Club which is a very steady fund raising revenue for us.

WSA were also responsible for the BBQ stand, cooking and serving Hot Dogs and Burgers which was very busy all afternoon.

Consultation questionnaires were completed by a total of 22 people and the results can be seen below:

The following are the questions asked:

Q1 Do you think this project is a good idea?

Q2 Do you think Weedon needs more facilities for sports and recreation, the community and young people?

Q3 Do you think you or your family would benefit by having a new building like this in Weedon?

Q4 Are you part of a sports or recreational group who could make use of a room in this building? (Tell us below)

Q5 Do you know of other organisations outside of Weedon who might be interested in hiring this type of space?

Q6 Do you like the idea of watching football matches (or other sports) from a purpose designed building?

Q7 Do you think this is the best site in the village for this type of community building?

Q8 Would you be prepared to support fundraising events to raise money to help build this building?

Q9 Would you use this venue as a social space?

Many comments or identified local groups were also detailed on the form:

- I would like a library corner / Cadbury Girls Club
- We need cricket strip and tennis courts. Pilates on Mondays
- I think this is a great idea as ;long as it incorporates the play area that already exists. This is the only play area near where my family lives and we would not wish to lose it.
- Weedon has needed this type of building for a number of years and I wholeheartedly support this project.
- The existing play area should be increased and refurbished
There will need to be much more parking space
- Much more parking needed on site

- I am one of the coaches for Weedon Junior FC's Under 8's. I think this is a great idea as long as the Childrens play area is not compromised
- May appear negative but not really! Kids really do need direction so this can only be positive.
- I would like a library corner / Cadbury Girls Club
- More should be done to encourage children into exercise especially athletics
- Zumba/Dance/Street Dance teacher
