New Home for our Group Meetings

We moved to a new venue for our group meetings in May, The Civic Centre, where we have been for the last few years is undergoing redevelopment this year.

Our new venue has a room of a similar size. We will be able to offer Tea and Coffee, as there is an adjacent kitchen. The Methodist church is not far from the Civic Centre, It has its own car park adjacent to the building, with many car parks nearby. There is level access throughout.

Our next meeting is on Thursday 22nd June 2017, 2pm.

The Community Room, Wellington Methodist Church, New Street, Wellington, Telford TF1 1LU.

We look forward to seeing you there.

Tombola at PRH

A great day was had at the Tombola event last March. It was lovely to see familiar faces at the charity desk, Princess Royal Hospital, plus a number of people who had not yet heard about us.

Special thanks to Brenda Yarnold (L), Mary Evans and Chrissie Matthews (R) for raising £151 for the group,

Pillows for Ward 9 at PRH

We have donated some more pillows to ward 9 at the Princess Royal Hospital.

The nursing staff were delighted and we know patients very much appreciate having the extra head support when in bed.

Meet Stephanie O'Neil

Hello, I am Stephanie O'Neil Community Respiratory Team Leader and Specialist Respiratory Nurse. I started with the team in 2013 as a bank nurse and took over the team leader role from my predecessor Elsa Davies in September 2016. I now split my week into managing the team, developing the service and covering the Oakengates' practices and Hollinswood. I started my nursing career on the local respiratory ward but my passion lay in supporting respiratory patients in their own home hence my transition in 2013. I would like to thank the breathe easy group for their ongoing support to both patients and our respiratory services; we as a team thoroughly enjoy events put on by the group and I look forward to meeting you at these events if I haven't already.
