DETAILS

Fishing is available All Year round, from Road Bridge (No. 93), in the direction of Hurleston, right through to Bridge 107 at Beeston on A49. Be aware of 'No Fishing' signs on approach to moorings. This short length of Canal is known as 'The Wides' and provides good fishing, and some 'respite' from canal traffic due to its width. There is a large 'turning hole' a few hundred yards towards Hurleston. Boats are allowed to stay on the 'temporary' moorings for a max. of 2 weeks.

△ Be aware of other towpath users eg. Walkers & Cyclists. Be safe when fishing !

Open to Members and 'non members' via Day Ticket (via authorised personnel only).

SPECIES

Carp, Roach, Bream, Perch, Eels, Pike are the main species.
